Advices received this morning's mail are to the effect that serious disturban ces were expected in Newfoundland yesterday. Eight hundred Orangem had expressed their intention to walk. and as many more Irishmen were prepared to prevent them. Both sides were med with Winchester rifles and soaling guns.

THE REV. DOCTOR MACDONALD of George auspices of the Caledonian Club, in the Market Hall, Charlottetown, on Monday evening next, the 22nd inst. Subject:-The race of Somerled."-This will doubtless be a highly interesting lecture, and we bespeak for the Rev. Doctor crowded Half on Monday night.

THE street lamps are very often in lighted-on Monday night last, there was not a light on lower Great George the Rankin House corner, and very few Street.-We would like to ment of the account for these deadlights. Two sad cases of suicide occurred last

week in Queen's County. A farmer named James Todd, residing at Rose defy competition. Valley, hung himself in his barn last Thursday evening. As he was not known to have any troubles, domestic or otherwise, but was comfortably off with a grown up family, it is suppose that he was insane Upon Friday anat Cavendish cut his throat with a rastrangely for some time, and to insanity also is attributed his rash act.

An old and respected resident of Charlottetown, Mr. John Jury, died very suddenly on Sunday last of heart disease He had been complaining for some months past, and while going to church in the morning was taken ill and had to be carried back to his home, where, in a couple of hours, he calmly breathed his last. He was an unassuming and worthy member of the community, and will be much missed in the Methodist body, of which he was an active mem-He leaves a widow and a large fam ily of children, who have general sym pathy in their bereavement.

MR. THEO, L. CHAPPELLE this m placed on our table a copy of his Island Almanac for 1885, handsomely printed on good paper by Mr. Coombs, Queen's Printer. Besides the usual stock of information which Mr. Chappelle annually places before the public in his Almana he has this year added several new and nteresting features, such as a table for ascertaining the distance of terrestrial objects at sea,-the Queen's regulations regarding titles in the Dominion-the dates of the opening and closing of Charlottetown harbor since 1873—an explanation of the meterological storm signals, &c., all of which cannot fail to

be of much service.

Mr. J. H. Cross visited our office the other day on behalf of the Burland Lithographic Co. of Montreal, soliciting subscriptions for the "Canadian Magazine of Science and the Industrial Arts." From a cursory examination of this magazine every mechanic and scientific man. I is a book of 32 pages, extensively illustrated with cuts and engravings and com bining under its cover the Monthly its readers posted upon all the latest in-The annual subscription price is only \$2.50, payable in advance. Address the Burland Lithographic Co., Montreal.

A YEAR ago last summer, a wealthy banker of Chicago, Mr. H. R. Symonds. visited the Island, accompanied by his beautiful and accomplished wife, who is merly of New London, but now of Chicago, and a grand-daughter of Mr. John Lockerby of this city. Together they spent some weeks in town and country, and a jollier fellow than Mr. Symonds ve never met. Recently a cheque for the very handsome sum of \$100, was re ceived from Mrs. Symonds, through her cousin Miss Annie McKay, daughter of William McKay, Esq., Postmaster at Clifton, in aid of the funds of the Presbyterian Church at that place. It does us good to record such deeds of benevoe-it shows that Mrs. Symonds therishes fond recollections of the home Market House, of her childhood, and we trust that other Islanders abroad will follow her noble example as their means may allow.
