### Left for Ireland.

Rev. Brother J. E. Ryan, of the Christian Brothers Community of Mt. St. Francis, left here by the Carthaginian yesterday for his home in Ireland. Brother Ryan has been enjoying but indifferent health of late, and it is hoped that a period of living in his native air and release from the laborious duties of his calling for a while will have the effect of restoring him to health. Brother Ryan since coming amongst us has made many friends, both in the city and country.

### Horse Goes Overboard.

Yesterday afternoon a fine horse owned by Mr. Charles Lester, which was at work on Balne Johnston's South Side premises, accidentally backed over the pier into the harbor. Men about got into boats and quickly cut away the traces from the beast which after a long immersion and with great difficulty was lifted to the wharf by means of a crane. It was feared that the beast would perish as a result of its icy bath, but the contents of a bottle of brandy were poured down its throat and it was hurried to its stable where it soon revived.

Brother of Woman Frozen to Death Guilty of Neglect.  
Biggar, Sask., Jan. 16.—James Sidney and George Stock (brother of Mrs. Sidney) were found guilty of criminal negligence by the jury in the inquest in the case of Mrs. James and her son Samuel, who were found frozen to death near their homestead, twelve miles southwest of here last Thursday. It was shown that Stock was also the cause of Mrs. Sidney leaving home, and neighbors say Sidney did not make any effort to rescue the unfortunate from their impending fate, and no effort was made to locate them for two days.

### Receives Congratulatory Letter.

Mr. H. F. Shortis, by Saturday's mail, had a letter from a student at St. John's Ecclesiastical College, Waterford, Ireland, in which the writer briefly compliments Mr. Shortis on the different articles he has written in local magazines and numbers, relating to Newfoundland history. The writer offers to put at Mr. Shortis' disposal information that he can glean relative to Newfoundland in the days when there was much commerce between Waterford, Galway and this country as he has access to the National Library of Ireland and also to that of Dublin University. He makes special enquiry as to the working of the Benevolent Irish Society here.

### Cascarets Cleanse Liver and Bowels.

No Biliousness, Headache, Sick, Sour Stomach, Indigestion, Coated Tongue or Constipation.  
Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gasses, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give you a thorough cleansing inside and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.

### Dangerously Ill.

Mr. A. Vincent of the Customs Long Room, last night had a telegram from Boston informing him of the dangerous illness of his daughter, Mrs. Annie Taylor, of that city. The lady had an attack of pneumonia and later developed tuberculosis. Her husband called in a specialist, who fears that she cannot live very long. Mrs. Taylor has been married only three years, and is well known in St. John's.

### To-Day's News.

WASHINGTON, To-day.

They have no seeds to plant, no animals, no plowing. This condition of affairs has gone so long they have lost all desire for work. There were people walking either side roadway coming and going. They were all beggars and starving. A few years ago the majority had been successful farmers, now they have absolutely nothing. There was not a day we did not pass two or three bodies of men, women and children lying on the road. When people got tired and gave up, they simply dropped down where they were and died. They did not even go to raised track on side but dropped in roads where they lay unburied. These were some of the observations of Jameson, Red Cross Engineer, sent to inspect the famine district in China and to report on the possibility of flood prevention in Hwai Valley. These appalling conditions apply to three million people. Unless outside relief is instantly forthcoming he declared, untold thousands of these must die before the scanty new crops are ripened and gathered.

### Rossley Star Theatre.

Last night many people were unable to get within the doors of the Star Theatre, as it was crowded to overflowing to witness the capital programme given. Orth and Burkhardt, the society entertainers engaged by Jack Rossley, are certainly cracker-jacks. Their act, entitled Numb Skull, was one scream. The antics of Joe Burkhardt made everybody happy. His act this week is just as funny as his Wee McGregor of last week. Lillie Brayley, in the second show, sang two beautiful ballads, which will be repeated to-night and to-morrow night. Billie Brayley, in his nigger stump speech, had the audience laughing heartily all the way through. Little Bonnie was encored twice on her song, and the Star orchestra was well received. It's a big show, breezy, clean and wholesome.

### Last Night's Hockey Match

ST. BON'S WIN OVER FEILDIAN'S BY SIX GOALS TO THREE.

In the League Hockey Match last night the St. Bon's and Feildians contested, and possibly the fastest game for the season ended in the victory for St. Bon's by 6 goals to 3.  
The attendance was not as large as at former games, but those who were present certainly received the worth of their money. The line up was:—  
St. Bon's—S. Walsh, goal; Hearn, point; Godden, cover; Thompson, rover; Collins, right; D. Walsh, centre; Shortall, left.  
Feildians—N. Hunt, goal; G. Hunt, point; Collier, cover; Pinsent, rover; Strong, right; Lilly, centre; P. Winter, left.

When the referee's whistle opened the game the Feildians were on the disc with a rush and took it up the rink but Thompson checked their attempt at scoring and passed to Walsh who took it to Feildian territory but Hunt repulsed him and there was a general mix up. Collier was sent to the "fence" for slashing, and after some exciting play Collins passed to Thompson who banged the rubber into the net and scored first blood for St. Bon's, 6 minutes after the game opened.  
The Feildians in trying to equalize put up very fast play. Pinsent and Winter made clever attempts to score but were deftly foiled, and Walsh, in goal, who was kept busy for some time, put up a splendid defence of the net. Shortall now secured the rubber and passing all opponents put in No. 2 for St. Bon's.  
After the rubber was again put in play, Collier took a smart run with the disc but was beaten by Walsh when he tried for goal. D. Walsh now visited Hunt but was blocked, when on making another trial he succeeded and sent in the 3rd goal for St. Bon's amidst great applause.  
Good play marked the end of the half but no further scoring occurred, and the teams crossed:—  
St. Bon's, 3 goals; Feildians, 0.

### SECOND HALF.

This opened with lively play on both sides, when Collins gave all a surprise by hitting up No. 4 for St.

Bon's a couple of minutes after the rubber was put in play.  
Just three minutes later Thompson beat Hunt and scored the 5th goal.  
Play again became fast and exciting and after Godden had been penalized for slashing, the Feildians put up a fine spurt and it fell to Collier to put up their first goal which he did in capital style.  
Soon after Walsh got a fine run with the rubber and scored the 6th and last goal for St. Bon's.  
Both teams now got in some strenuous work; Hearn was penalized for rough play, Strong broke his skate, and Thompson quit to equalize this deficiency for the Feildians. This team now bucked up and their quick play, which was loudly applauded, was not without result, and Pinsent and Winter scored a goal each. The game concluded soon after and the St. Bon's led by 6 goals to 3.

Taken all round the exhibition was very good, the goal keepers on either side were in fine form, and generally the players put forth the best that was in them.  
The goals and penalties occurred in the following order:—  
1. Thompson (S.B.) 6 mins.; 2. Shortall (S.B.) 15 mins.; 3. Walsh (S.B.) 26 mins.  
1. Collins (S.B.) 2 mins.; 2. Thompson (S.B.) 5 mins.; 3. Collier (F.) 7 mins.; 4. Walsh (S.B.) 15 mins.; 5. Pinsent (F.) 25 mins.; 6. Winter (F.) 25 mins.  
Penalties—Collier (F.) 2 mins.; Godden (St. B.) 2 mins.; Hearn (St. B.) 2 mins.
