**THE RIGHT KIND OF APPEAL.**  
When we talk PROFITS to our clients, it's up to us to SHOW the client just HOW MUCH they may expect and WHEN.  
We try to be conservative, and to UNDER-estimate what we really expect our different propositions to accomplish.  
Right now we present the FINAL block of Industrial Shares to net the investor FIFTEEN per cent., and we can logically show you how you can get any of the following articles FREE by investing \$100 through us: Half ton hard coal, a year's supply of tobacco, a year's Union or Society dues, 300 street car fares, a year's life insurance for \$1,000, a \$12 check for Christmas and many other equally valuable items.  
ALL YOU NEED DO IS ASK FOR THE PARTICULARS.
