Congratulations From Abroad.

Editor Evening Telegram.

Dear Sir,—I was very pleased to see by your valuable paper of May 1st, of the promotion of Sergeant William Haynes, of Catalina, to Lieutenant; also of his winning the D.C.M. I am very pleased to say that I have met another Catalina man here. In fact the cousin of Lieut. Haynes. He is James Haynes, of 30 Scott St. St. John's. He was rejected by both Army and Navy in Newfoundland through a defect in eyesight; but in 1916 he went across to England and enlisted in the mercantile marine. He was torpedoed four times while he was over there and also shelled in the open life-boat on July 2nd, 1917, being wounded in the face and hand. Also on April 24th, 1917, he was in a small steamboat attacked by a German submarine, and fought for four and a half hours, and managed to sink the submarine, for which he was presented with a silver medal and diploma by the owners of the ship. He is sailing out of Philadelphia now. He is the son of James and Annie Haynes, formerly of Catalina. The people of Catalina must be proud of having such sons. Congratulating the two cousins and also their parents, and thanking you, Mr. Editor, for your valuable space in your successful paper, and wishing you many years of success, I remain,

Yours truly,
AN OLD CATALINA MAN.
Bangor, Maine, U.S.A., June 9th, 1919.

Hot Water Supply Problem.

We can solve all of them, from the 2½ gallons per minute proposition for the bathroom, to the automatic storage system providing 1000 gallons of hot water per hour for hotels and large establishments. We can greatly improve existing systems by providing copper-coil heaters with automatic control auxiliary to your coal range hot water back, and insure a constant supply of hot water at all hours. This outfit works only when the coal range fails to heat the water, or if the range is not in use. Phone 97 or call at our Showroom where all particulars will be given.

New Principal for Edgehill.

After fourteen years of efficient and devoted service, Miss Gena Smith has, to the great regret of friends of the School, resigned her position of Lady Principal of Edgehill. Her place will be taken by Miss Mildred Roehling, who is at present on the staff of Haverhill College, Toronto. Miss Roehling is a graduate of St. Hugh's College, Oxford, where she took the Honours Course of Modern History. She also spent six months in Germany and six months in Paris to acquire a spoken knowledge of French and German. She has had eleven years' continuous experience in teaching, five of which were spent in English Schools and the last six in Canada, at Haverhill College, where she has occupied the position of Head of the History Department. Those who know Miss Roehling will speak in the highest terms of her personal character and her exceptional abilities as a teacher and a disciplinarian, and the members of the Board have every confidence that she will maintain the high character which Edgehill has always held under its former Principals. It is hoped that Miss Roehling will be able to be present at the School closing on June 17th.—Extract from The Hants Journal.

SLIGHT FIRE AT COCHRANE HOUSE.—At 9 o'clock last night the Central and Eastern fire companies were called to Cochrane Street, to quench a slight fire which had occurred in the Cochrane Hotel. It was caused by one of the boarders leaving his overcoat on a gas radiator in the bathroom, the garment igniting and setting fire to the ceiling. The services of the firemen were not needed, and the damage caused was insignificant.
