

A SURE RELIEF FOR WOMEN'S DISORDERS

10 DAYS' TREATMENT FREE.

Orange Lily is a certain relief for all disorders of women. It is applied locally and is absorbed into the suffering tissue. The dead waste matter in the congested region is expelled, giving immediate mental and physical relief; the blood vessels and nerves are toned and strengthened; and the circulation is rendered normal. As this treatment is based on strictly scientific principles and acts on the actual location of the disease, it cannot help but do good in all forms of female troubles, including delayed and painful menstruation, leucorrhoea, falling of the womb, etc. Price \$2.50 per box, which is sufficient for one month's treatment. A free trial treatment, enough for 10 days, worth 75c, will be sent free to any suffering woman who will send me her address. Enclose three stamps and address: Mrs. Lydia W. Ladd, Windsor, Ont.

And for Women too

Women love daintiness, fine texture, filmy materials; yet they want lasting wear. Holeproof Hosiery has both. The fame of its wearing qualities grew among the men until the women came looking for it too, and so we were induced to stock Holeproof Hosiery for women.

New Rector Arrives.

Induction Service To-morrow Morning
Rev. E. C. Barr, the new Rector of St. Thomas's Church, who arrived from England yesterday by the Digby, will be inducted on to-morrow Sunday by His Lordship, Bishop White. The induction service will be at 11 a.m., and Rev. Canon Jeeves will be the preacher. At the evening service the new Rector will preach. Antiphona will be rendered during both services, and the soloists will be Mrs. S. Churchill and Miss E. Stirling. A reception will be held in the Canon Wood Hall on Tuesday evening when the members of St. Thomas's congregation will be given an opportunity of meeting Rev. Mr. Barr.

School Football.

The first game of the Inter-Collegiate football series for 1921 was played on St. George's Field this afternoon, but up to press-hour had not been concluded. The competing teams are the Pelicans and the Methodist College. Both sides are very evenly matched and the contest should be spirited. St. Bon's has won the championship for several years, and the other two colleges intend to attempt to spoil their record this season.

Another Lame Duck.

The Norwegian steamer "Otta," which is being towed to this port by the "Canadian Trooper," reported yesterday at noon that she was 240 miles east of St. John's, and was making fair progress. The ship should, under the circumstances, arrive here to-morrow. The Furness Withy Co. are agents for the "Otta" and also for the American steamer "Dixiano" which is in port for repairs to her propeller.
