their lovers and their husbands. But can you saying: "Do you love me?" to his

If someone put it into the dialogue in a story, it wouldn't ring true. But why is it?

Is it that men don't care so much? Man Loves Woman, Woman Loves Love.

I think that has something to do with it. They don't think so much about being loved as women do. The Everage man falls in love with a wom-

o love the individual 'Marriage is a getfulness. This is one of the reasons for new ways to blow what they've nedicine which acts differently on why "man's love is of man's life a earned.

thing apart, 'tis woman's whole exist- Post Office

Then again, men are more sure o themselver than women. I have met plenty of plain women who fully PROBLEMS AND HUMOURS OF sensed their own unattractiveness and did not expect the opposite sex to be impressed by them. I never knew a man, however, unattractive and insignificant who did not think it perfectly natural that women should like him.

"You Don't Love Me."

I suppose all this goes back, like so ment of different characteristics in London his missive was meant. each sex, to the economic basis of

One last word, which, contrary to the supposed custom of our sex, I give to the Author man. He says: "Men sometimes are in doubt and do you love me,' and that is: 'You don't love me, spoken in an accusatory can you say such a thing. You know I K"; and Mr. Noke received his letter.

FREAK POSTAL ADDRESSES.

umour who addressed a letter to a friend, "Mr. John Jones, London," probably thought himself a smart fellow, for he knew that in all probability the experts of the "Blind Division" much of our sex relation and develop- to discover for which John Jones of

But, though these experts are not infallible, their ingenuity in finding the solution of vague, incomplete, and cryptic addresses almost borders on the miraculous. Thus, when a letter addressed, "Mr. Abedefghijimnoprssay the masculine equivalent of 'Do tuvways, - Street, Bradford," came before one of them, he decided in a moment that the addressee was a Mr. tone and expecting the answer: 'How No-ke, as the alphabet contained "no-

Another letter, the address of which consisted of a woman's face; with the name of a small town in Lancashire, was rightly delivered to Mr. Notman of that place; and a third, labelled "J co D.Q.," found its proper recipient in a Mr. Jay, clo Mr. Dee, Kew.

Mere orthography, however confusing, presents little difficulty to these magicians of the Blind Division. For example, the average man might rack his brains in vain to discover where "lobin" is, but the expert at sight reads it correctly as High Holborn. He also knows at a glance that

arder, and went Farndenst is meant for Farringdon to the bank with Street; Senelnard for St. Leonards; WALT MACON the tin, and now Noath for Naworth (Cumberland); and Fashum for Faversham. But even the expert must have been put on his metso their thoughts do not run so much who blew in their earnings, who the before he discovered that Sabudo in the channel which leads to the squandered desirable dough, are bust- was no other than St. Budeaux, in question: Do you love me? A woman ed and sick with their yearnings for Devonshire; and Berlton was Bridlington in another guise.

Letters addressed in foreign tongues, from Chinese or Japanese to Parsee or Marathi, present little difficulty-any more than those addressed to some obscure village which has But postal addresses have their hu-
