

X-RAY INDICATED CANCER, RELIEVED BY "FRUIT-A-TIVES"

Splendid Fruit Medicine Performs Another Miracle.

The incalculable value of "Fruit-a-tives" can best be appreciated when it completely relieves some dangerous, deadly malady that is sapping the health and strength of the sufferer. After reading this letter, it is easy to understand why Mrs. Glover was glad to write about "Fruit-a-tives" in the hope that her experience would guide others to try this wonderful fruit medicine.

"For years, I was a sufferer with chronic Dyspepsia, Indigestion and Constipation, the stomach pains were dreadful and finally my health broke down completely. After five X-rays had been taken, I was advised that my condition strongly resembled Cancer of the Stomach and an immediate operation was necessary. Dreading an operation, I consulted other physicians but grew steadily worse. I had almost given up hope when I decided to try "Fruit-a-tives" recommended by many friends.

Immediately my condition began to improve. Pains disappeared; soon Dyspepsia and constipation were things of the past. After a few months I was perfectly well again and have been in the best of health for over a year now." Mrs. ANNIE GLOVER, 16 Henry Street, Ottawa.

Just try "Fruit-a-tives"—let them prove their real worth. 25c. and 50c. a box, at all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

New Stories By O. HENRY

RELIEVED.

A Houston gentleman, who is worth somewhere up in the hundreds of thousands, and lives on \$11 a week, was sitting in his private office a few days ago, when a desperate-looking man entered and closed the door carefully behind him. The man had an evil, villainous looking face, and in his hand he held with the utmost care an oblong, square-shaped package.

"What do you want?" asked the capitalist.

"I must have money," hissed the stranger. "I am starving while you are rolling in wealth. Do you see this little package? Do you know what it contains?"

The wealthy citizen sprang from his desk in horror, pale with fright. "No, no," he cried. "You would not be so cruel, so heartless."

"This package," continued the desperate man, "contains enough dynamite to let fall upon the floor."

to hurl this building into a shapeless mass of ruins." said the capitalist, sinking into his chair, and picking up his newspaper with a sigh of relief. "You don't know how much you frightened me. I thought it was a gold brick."
