Mr. Groff the donor of the cup was a former resident here, and at present is visiting with local friends. The presentation of the prizes was made at the Club lunch when occasion was taken to thank Mr. Groff for his kindness in giving the cup for competition.

PLAY BASEBALL - BUT POSTPONE RACES

New Hamburg July 1—The New Hamburg trotting races drew a large attendance and well-filled cards, but the rain early in the day made the track heavy and, as the threatening weather did not encourage prospects of clearing, the management decided to postpone the fall race until next Wednesday afternoon, July 3. The Dominion Tire Company Band and a baseball match between Kitchener and New Hamburg entertained the crowd.

RUNNING SHOTS

By Kitty

Skip Gray and his rink were called upon to extend themselves to land a 4 point margin victory.

July 1st was anything but bowling weather and consequently there was little doing on the greens. The all day club tourney did not eventuate but in the afternoon about a dozen of the keenest enthusiasts got together and played Scotch Doubles.

Gov. Cook played great bowls against Pat McGrath on Saturday and earned his big victory. He also was well supported.

Pat McGrath didn't score until the fourteenth end, when he picked out the kitty with his last bowl and lay five. He also scored on the sixteenth and eighteenth end.

Skip W.G. Cleghorn also had a runaway victory from Skip A. Thompson his margin on the eighteen ends being 18. He, too, had excellent support. "Scotty" was right on his running shots and got 100 per cent of them. Skip Thompson won but four ends during the game.

Announcement

FALL WHEAT SEED

In view of the partial failure of the Fall wheat crop in this Province this year it will be necessary for farmers to make early arrangements for the supply of seed which they will need for Fall sowing. Under these circumstances farmers who have on hand quantities of wheat suitable for Fall seeding are urged to conserve them for this purpose. If there is no demand locally, the information should be supplied to this Department, or to the Local Office of this Department in your County, so that every effort may be made to have an equitable and satisfactory distribution. The need for food-stuffs justifies a large acreage of Fall wheat in this Province again this year, and the co-operation of the farmers in the mobilization and distribution of the available seed supplies is invited.
