DECLARATION DAY ON WEDNESDAY

Declaration day proceedings passed off quietly on Wednesday at Dalhousie, there being a good attendance of electors at the county court house, while Sheriff Stewart conducted his court. The official count was as follows: Culligan, 1,575; Stewart, 1,572; LaBillicois, 1,021; McKenzie, 975.

Courtesy was extended Mr. LaBillicois, who was the first speaker. He thanked the electors who voted for him and Mr. McKenzie, who was attending camp at Sussex. He said he left the platform for a little rest after thirty-five years of service with the kindest feelings towards everybody. Speaking for the future, he said that while the Liberal party carried in its programme such principles as had been announced by Gladstone, Sir Alex. MacKenzie and Sir Wilfrid Laurier, that party could count upon his services.

Messrs. Culligan and Stewart spoke briefly, thanking the electors for their support. Mayor W. S. Montgomery also thanked the electors for supporting the government candidates. The proceedings were presided over by Police Judge Matheson.

Music will not be lacking as our local band are busy practising and will give a good account of themselves. From all points around the district people are making preparation to spend the day in Campbellton, and given good weather a most successful time is looked forward to.

"THE HAVOC"

The engagement of Paul Gilmore and Associate Players at Opera House for "The Havoc" beginning Wed. July 3 will present the actor-manager in a big dominant role of the type which playgoers have learned to associate with his name. "The Havoc" is a tense gripping drama, built upon the story of a duel of wits between an injured husband and a treacherous guest in his home. The big role of the play, the husband, offers one of the most convincing characters seen on the stage in recent years and is played by Mr. Gilmore with quiet power and tense nervous force. By the sheer power of his acting he dominates the powerful dramatic situations of "The Havoc" with perfect ease, and during the scenes that are followed by brilliant comic scenes he makes the author's satiric lines snap and sparkle and turn by his quick, nervous, crisp, decisive tones.

The chairman then called on Mayor Murray to present the diplomas. It was a sterling tribute to their hard work in the past. His Worship then distributed the diplomas accompanying each with a hearty handshake and a pleasant word and kindly smile. After the distribution the girls of class X showered the graduates with bouquets of flowers.

The order of the program was then resumed.

"THE HAVOC"

Paul Gilmore to appear here in his greatest success "The Havoc". Mr. Paul Gilmore is no doubt one of the greatest actor-managers in this country and has proved this on several occasions in the past. In "The Havoc" his present starring vehicle he is said to have one of the most powerful plays before the American public to-day. Mr. Gilmore portrays a fine type of the American business man, whose wife is won from him a treacherous guest. He does not resort to the unwritten law, but instead works out the punishment of the traitor along now it is and in a manner that makes the play seem not acting but real, thrilling, vital life. "The Havoc" will be seen at the Theatre Wed. July 3rd.
