## A CURE! FOR ALL!!

### HOLLOWAY'S OINTMENT!

AN EXTRAORDINARY CURE.

25 Holes on one Leg, and 14 on the Other, On Crutches! 2 1/2 Years ASKED?  
The Lord Mayor of London affixed his Signature as Witness in the following S. John  
Declaration, made before him at the Mansion House this 14th day of November 1842.

### DECLARATION!

I, JAMES STANLEY, Gentleman's Servant, residing at Long Ditch, Kingston-  
up-Thames, do hereby solemnly declare that for the last Two Years and a half I was (in  
consequence of being fearfully afflicted with Ulcers in both Legs) quite incapable  
of getting my Living. I further declare that I sought relief of several Eminent Medical  
Men, both in Town and Country, both my case only got worse instead of better, until  
thru Mr. T. H. H. I was admitted as a Patient at the North London Hospital, and there I remain-  
ed for about Six Weeks. In that Institution cold lotions and cloths dipped in cold  
water were applied to the Ulcers—by these repelling means and the use of tight band-  
ages, the Ulcers were made to skin tightly over, and I left the Hospital although  
at the time there was great pain and uneasiness in my Legs, which almost immediately  
broke out in a far more dangerous state than before so that of my left Leg I had twenty-  
six holes, and on my right I had fourteen holes my Legs appeared a frightful mass  
of corruption.  
I lastly declare, that I was in this state in the middle of September last, at which time  
I first commenced the use of HOLLOWAY'S PILLS AND OINTMENT, which in a very  
short time restored to Health and Soundness every one of the Wounds, and in consequence  
my Legs are as well as and sound as ever they were in my Life, so much so that I was  
able to walk, on the 11th instant, from Long Ditch to London and back, a distance of  
twenty-eight miles, without feeling if my Legs the least ill effect from the fatigue of the  
journey. I believe if I had not been cured by these Extraordinary Medicines my Legs  
must have been amputated, as the only means of saving my Life. JAMES STANLEY.  
Declared at the Mansion House, in the city of London, this 14th day of November, 1842.  
Before me JOHN HUMPHRY, Mayor.

### IN ALL DISEASES OF THE SKIN.

Legs, Old Wounds, and Ulcers, Bad Breasts, Bare Nipples, Stoney and Ulcerated Can-  
cers, Tumours, Swellings, Gout Rheumatism and Lumbago, likewise in case of Piles, the  
Pills in all the above cases, ought to be used with the Ointment; as by this means, cures  
will be effected with the Ointment, as by this means, cures will be effected with a much  
greater certainty and in half the time that it would require by using the Ointment alone.  
The Ointment is proved to be a certain remedy for the bites of Mosquitoes, Sand-flies, Chi-  
go, Lice, and Gony-bugs.  
Bares, Sores, Chilblains, Chapped Hands, and Lips, also Bunions and soft Corns, will
