WHY?

There is a reason for every success. It either
fills a long-felt want, corrects a mistake, or is an
improvement on the then-considered best.

In Dress Stays two faults have long been
apparent. They would either bend out of shape
or cut through the dress.

**BRUSH'S PEERLESS DOUBLE DRESS
STAY** is a success because it overcomes both
these faults. Made of double steels, one placed
above the other, with the ends so secured as to
make it impossible for them to cut through the
dress, it is more pliable than any other Dress
Stay, and cannot bend out of shape. Neither will
it melt apart from the heat of the body.

Made in Black, White, Drab, Blue, Pink and
Old Gold. Sizes, 6 to 18 in. Put up in half-gross
boxes or in sets of 9 steels.
