Opposite Ritchie's Building.

THE SUN.

WEEKLY AND DAILY FOR 1875.

The approach of the Presidential election gives unusual impor-
tance to the *SUN*'s and developments of 1875. We shall endeavor
to describe them fully, faithfully, and fearlessly.

THE WEEKLY *SUN* has now attained a circulation of over
seventy thousand copies. Its readers are found in every State and
Territory, and its quality is well known to the public. We shall
not only endeavor to keep it fully up to the old standard, but to
improve and add to its variety and power.

THE WEEKLY *SUN* will continue to be a thorough news-
paper. All the news of the day will be found in it, condensed when
unimportant, at full length when of moment, and always, we
trust, treated in a clear, interesting and instructive manner.

It is our aim to make the WEEKLY *SUN* the best family
newspaper in the world. It will be full of entertaining and ap-
propriate reading of every sort, but will print nothing to offend
the most scrupulous and delicate taste. It will always contain the
most interesting stories and romances of the day, carefully select-
ed and legibly printed.

The Agricultural Department is a prominent feature in the
WEEKLY *SUN*, and its articles will always be found fresh and
useful to the farmer.

The number of men independent in politics is increasing, and
the WEEKLY *SUN* is their paper especially. It belongs to no
party, and obeys no dictation, contending for principle, and for
the election of the best men. It exposes the corruption that dis-
graces the country and threatens the overthrow of republican
institutions. It has no fear of names, and seeks no favors from
their supporters.

The market of every kind and the *Lotions* are regularly re-
ported in its columns.

The price of the WEEKLY *SUN* is one dollar a year for a sheet
of eight pages, and fifty-six columns. As this barely pays the ex-
penses of paper and printing, we are not able to make any dis-
count or allow any premium to friends who may make special
efforts to extend its circulation. Under the new law, which re-
quires payment of postage in advance, one dollar a year, with
twenty cents, the cost of prepaid postage, added, is the rate of
subscription. It is not necessary to get up a club in order to have
the WEEKLY *SUN* at this rate. Any one who sends one dollar
and twenty cents will get the paper, post-paid, for a year.

We have no travelling agents.

THE WEEKLY *SUN*.—Eight pages, fifty-six columns. Only
\$1.20 a year, postage prepaid. No discounts from this rate.
The Daily *Sun*.—A large four-page newspaper of twenty-eight
columns. Daily circulation over 120,000. All the news for 2
cents. Subscription, postage prepaid 35 cents a month, or \$3.50 a
year. To clubs of 10 or over, a discount of 20 per cent.

Address, "THE SUN," New York City.
