

WINCHESTER

REPEATING RIFLES FOR HUNTING.

Shoot a Winchester once and you will shoot a Winchester always: That's because Winchester rifles after a test of over thirty years represent today in accuracy, reliability and quality, the highest development in gunmaking. Whatever your preferences may be, some one of the nine different Winchester models will surely suit you; for they are made in all calibers, styles and weights. Use Winchester guns for all kinds of shooting and Winchester cartridges for all kinds of guns.
