

Patent medicines differ -- One has reasonableness, another has not. One has reputation -- another has not. One has confidence, born of success -- another has only "hopes."

Don't take it for granted that all patent medicines are alike. They are not.

Let the years of uninterrupted success and the tens of thousands of cured and happy men and women, place

Dr. Pierce's Golden Medical Discovery and Dr. Pierce's Favorite Prescription on the side of the comparison they belong.

And there isn't a state or territory, no -- nor hardly a country in the world, whether its people realize it or not, but have men and women in them that're happier because of their discovery and their effects.

Think of this in health. Think of it in sickness. And then think whether you can afford to make the trial if the makers can afford to take the risk to give your money back as they do if they do not benefit or cure you.

SNAPPER SOUP. -- Cut the meat into pieces and put into a kettle with three pints of soup stock, veal is the best; add a little cayenne pepper, white pepper, and salt to taste. Roll three crackers very fine, add to the soup and boil twenty minutes; add two tablespoonfuls of butter and a pint of cream.

DAMAGING EVIDENCE

AGAINST THE "RIPPER."

The "ripper" which troubles many a woman is Poor Soap. It rots away their clothes and their hands; yet some people will buy it because it appears to be cheap. False economy! Poor Soap is dear at any price. In "SUNLIGHT" Soap you have an article that cannot injure either clothes or skin, no matter how fine or delicate. Try it. Beware of Imitations.

"Note attractive design."

SMITHS FALLS, 3rd June, 1890.

We are highly pleased with the No. 3 Superior Furnace which you placed in our St. Andrews Church last season, and which heated our Church and Sunday School Room adjoining, containing in all 70,000 cubic feet, to our entire satisfaction. All other furnace manufacturers claimed that two furnaces would be necessary. Your furnace is easily managed, free from dust and gas. The system of ventilation in connection with the heating has proved highly satisfactory. We have effected a great saving of fuel and labour, and are well pleased in every way.

GENTLEMEN--We take much pleasure in expressing our entire satisfaction with your Superior Jewel Furnace, having used it during the past winter in heating Chalmers Church in this town. Our Church contains 60,000 cubic feet, with eight large windows and four entrances at each end of the room. All parts of this large room have been most comfortably heated with a very moderate amount of coal. Respectfully yours,

W. H. WALLACE, Sec. Board of Trustees Chalmers Church.
