SEASON 1903-4.

We take pleasure in announcing that our travellers will be on the road shortly with the celebrated Watson Foster Wall Papers.

The new line excels anything they have yet produced, and embodies the result of months of diligent effort on the part of designers of world-wide reputation.

Our representative will visit you in ample season, and we know that it will be in your interest to defer buying until you have seen our samples.

We do not claim to be the only house handling a good line of Furnishings, but we do our best to get our goods a little better than the other fellows, and if personal attention to our business can do so, we are bound to give more for your money—both as to price and workmanship—than any of the other houses.

Our travellers are now on the road soliciting your business for immediate and spring.

HOW ABOUT BREAKFAST ?

Breakfast would hardly be breakfast to most people without a good dish of porridge. Not flakes or chips or other fads, served cold to "excuse haste," but a good hot dish of thoroughly cooked genuine ROLLED OATS, palatable and nourishing; that will invigorate you and tone you up and stay by you till dinner time.

In Ogilvie Oats you have a Canadian Grown Cereal, purchased by our experienced army of buyers distributed throughout the country, securing absolutely the CHOICEST GRAIN.

After its purchase it is subjected to a thorough cleaning process by the most modern improved machinery, that not only removes every particle of dust, but rejects every kernel of light flat, or imperfect grain.

Ogilvie Oats are then pan-roasted, giving them that delightful nutty flavor and yet retaining all the richness and delicacy of the Oats.

In Ogilvie Oats you have a breakfast cereal that is as near perfection as it is possible to obtain. Do not let your grocer put you off with any other make—he wouldn't do it for YOUR good. Insist on having
