## MALTINE WITH COCA WINE

Dr. C. H. BROWN, of New York, Editor of the *Journal of Nervous and Mental Diseases*, says :

"Maltine with Coca Wine has served me well in cases of Neurasthenia from any cause. It serves as a most excellent sustainer and bracer. Besides these two essential qualities, we are forced to believe in another element in this combination, and that is the sedative quality which makes it a most valuable therapeutic desideratum. This action does not depend entirely upon the Coca, or the Coca in combination with wine. My conviction is that the Maltine plays a leading part in this triple alliance."
