AYER'S Cathartic Pills,

CLEANSE THE BLOOD AND CURE THE SICK. Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF

DR. J. C. Avez. Sir: I have been repeatedly cured of the worst headache any body can have by a doso or two of your lills. It seems to arise from a foul stomach, which they cleanso at once. If they will cure others as they do me, the fact is worth knowing. Yours with great respect, ED. W. PREBILE, Clerk of Steamer Carion.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb., 1856.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the lest enthartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have selden found a case of bilious disease so obstinate that it did not readily yield to them.

Dysentery, Relax, and Worms:

Post Office, Hartland, Liv. Co., Mich., Nov. 16, 1835.

Dr. Ayen: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be declored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of warms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bud, and my wife cured him with two does of your Pills, while others around us yaid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, Patmaster.

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Putter of Advent Univel, Boston.

Un. Aten: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress.

To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, Jr. V. IHMES.

Warsaw, Wyomno Co., N. Y., Oct. 24, 1855.

Dear Sun: I am using your Cathartic Pills in my practice, and find them an excellent purguite to cleanse the system and purify the fountains of the blood.

Dn. Aven: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievensly afflieted with blotches and pimples on her skin and in her hair. Afterour child was cured, the also tried your Pills, and they have cured her.

A cold settled in my limbs and brought on excruciating neutralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best physicians, the discuse grow worse and worse, until, by the advice of your excellent agent in Bultimore, Dr. Markedzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

or the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fower yet the communities any where which have not among them some living trophy of its victory ever the authete and dangerous diseases of the throat and lungs. While it is the most powerful antidoty yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in stare against the insidious enemy that steaks upon them unprepared. We have abundant grounds to believe the Crimay Pryracast saves more lives by the consumptions it prevents than those it curer. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexactable canker that, fastened on the vitus, cut your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than assure them it is still made the best it can be. We spare no cost, no care, no tell to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.
