

is that packers themselves will have to carry the stocks hereafter.

LEATHER.—Some further fair sales of slaughter sole are reported, with the result that the market is now pretty well cleaned up in this line. There is not a great deal of upper selling, and though shoe manufacturers are well into the cut for fall orders, the majority are just buying in moderate lots from week to week. Tanners are talking stiffer prices, but quotations are just as before. English letters speak of a little better enquiry for splits, but with no improvement in the low prices as yet. We quote:—Spanish sole, B. A. No. 1, 18 to 20c.; do No. 2 to B. A., 16 to 17c.; No. 1 ordinary Spanish, 17 to 18c.; No. 2, 15½ to 16½c.; No. 1 slaughter, 18 to 20c.; No. 2 do., 17 to 18c.; American oak sole, 39 to 43c.; waxed upper, light and medium, 24 to 26c.; do. heavy, 20 to 24c.; grained, 24 to 26c.; Scotch grained, 25 to 27c.; splits, large, 18 to 15c.; do. small, 10 to 12½c.; calf-splits, 27 to 30c.; calf-skins (85 to 40 lbs.), 50 to 60c.; imitation French calfskins, 60 to 70c.; colored calf, American, 23 to 27c.; Canadian, 19 to 21c.; colored pebble cow, 12½ to 13½c.; russet sheepskin linings, 30 to 40c.; harness, 18 to 25c.; buffed cow, 9 to 11c.; extra heavy buff, 12½c.; pebbled cow, 8 to 12c.; polished buff, 9 to 11c.; glove grain, 9 to 11c.; rough, 16 to 18c.; russet and bridle, 40 to 50c.

METALS AND HARDWARE.—The week has developed little that is new, and business is just moderate. It is very hard to sell Summerlee iron, or other Scotch brands, at present figures, and the consumption is gradually but surely turning to American and domestic brands. As it is, the importation of Scotch iron is a mere bagatelle to what it was some years ago, and there are those who predict an almost complete decay of the trade. The British tinplate market seems to have lost the gain in firmness noted a couple of weeks ago, and the possibility of transactions in round lots at figures below our inside quotation for cokes is freely discussed. Ingot tin and copper are steady at quotations. Lead has slackened off a little in England. We quote:—Coltness pig iron, none here; Calder, No. 1, \$19.50; Calder No. 3, \$19.50; Summerlee, \$19.50 to 20.00; Eglington, \$18.50; Gartsherrie, none here; Langdon, none here; Carnbroe, \$18; Shotts, none here; Middlesboro, No. 3, \$17; Siemens, pig, No. 1, \$16.25 to \$16.75; Ferrona, No. 1, \$16.50; machinery scrap, \$14.50 to 15.00; common do., \$10.00 to 12.00; bar iron, Canadian, \$1.70 to 1.75; British, \$2.25; best refined, \$2.40; Low Moor, \$5.25; Canada plates—Blaina, or Garth, \$2.10 to \$2.15; all polished Canadas, \$2.75; Terne roofing plate, 20 x 28, \$6.00 to \$6.25; Black sheet iron, No. 28, \$2.30; No. 26, \$2.20; No. 24, \$2.10; tin plates—Bradley charcoal, \$5.25 to \$5.50; charcoal I.C., \$3.50; P.D. Crown, \$4.00; do. I.X., \$4.75 to 5.00; Coke I.C., \$2.75 to 2.85; coke wasters, \$2.75; galvanized sheets, No. 28, ordinary brands, 4½ to 4¾c.; No. 26, 4c.; No. 24, 3¾c., in case lots; Morewood, 5½ to 6c.; tinned sheets, coke, No. 24, 6 to 6½c.; No. 26, 6½ to 6¾c.; the usual extra for large sizes. Hoops and bands, per 100 lbs., \$2.30 to 2.35. Steel boiler plate, ½ inch and upwards, \$2.10 to 2.15; ditto, three-sixteenths inch, \$2.60; common tank iron, \$1.65 to 1.85; heads, \$2.85; Russian sheet iron, 10 to 10½c.; lead, per 100 lbs., pig, \$2.60 to 2.75; sheet, \$4.00 to \$4.25; shot, \$6.00 to 6.50; best cast steel, 10½ to 12c.; spring, \$2.50; tire, \$2.50 to 2.75; sleigh shoe, \$2.40; round machinery steel, \$3; ingot tin, 18 to 18½c.; bar tin, 25c.; ingot copper, 9½ to 10c.; sheet zinc, \$5.00 to 5.25; spelter, \$4.50 to 4.75; American do., \$4.50 to 4.75. Antimony, 10 to 12c.; bright iron wires, Nos. 0 to 8, \$2.65 per 100 lbs.; annealed do., \$2.70; galvanized, \$3.85; the trade discount on wire is 20 per cent. Barb and twisted wire and staples, 3¾c. Coil chain, ½ inch, 5c.; ¾ inch, 4¾c.; 7-16 in., 4¾c.; 1 in., 5½ to 4c.; 1½ in., 4c.; 2 in., 3¾c.; 2½ in., and upwards.

OILS, PAINTS AND GLASS.—Trade in these lines has taken on quite a little spirit within the last ten days, and there is a steady outgo of goods. Turpentine is perhaps a shade easier; linseed oil steady at former quotations; steam-refined seal oil easier at 39 to 40c., with a slow demand; castor oil is turning up in common with all East Indian produce, and will cost more to arrive. Glass still unchanged, though Belgian makers quote from 6 to 10% advance. We quote: Turpentine, 45 to 46c. per gal. for single barrels; two to four barrels, 44 to 45c. Linseed oil, raw, 54c. per gal.; boiled, 57c.; 5-barrel lots, 1c. less; olive oil, machinery, 90c.; castor, in lots, 6½c.; single cases, 6½ to 6¾c.; tins, 7c.; Nfld. cod, 38 to 40c. per gal.; Gaspe oil, 38c.

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for Hot Water Heating Apparatus at Rideau Hall, Ottawa," will be received until Monday, 10th September, for the construction of a Hot Water Heating Apparatus at Rideau Hall.

Plans and specifications can be seen and form of tender and all necessary information obtained at this Department on and after Thursday, 30th August.

Persons are notified that tenders will not be considered unless made on the printed form supplied, and signed with their actual signatures.

Each tender must be accompanied by an accepted bank cheque, made payable to the order of the Honorable the Minister of Public Works, equal to five per cent. of the amount of the tender, which will be forfeited if the party decline to enter into a contract when called upon to do so, or if he fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,

E. F. E. ROY, Secretary.

Department of Public Works,
Ottawa, Aug. 29th, 1894.
