THE BRADSTREET
MERCANTILE AGENCY

THE BRADSTREET COMPANY,
Proprietors
346 & 348 Broadway, NEW YORK.
Offices in the principal cities of the United States,
Canada, the European Continent, Australia,
and in London, England.

The Bradstreet Company is the oldest, and financially the strongest organization of its kind—working in one interest and under one management—with wider ramifications, with more capital invested in the business, and it expends more money every year for the collection and dissemination of information than any similar institution in the world.

HOT AIR FURNACES And Combination Hot Air
and Hot Water . .

Forty-five Sizes and Styles suitable for all purposes

FAMOUS FLORIDA

COAL FURNACE. In principle the same as a Base Burner. Dome and Low Radiator made of Steel, which radiates heat quickly and affords a large heating surface for air to come in contact with. All heat generating flues are enclosed in castings, the joint in smoke flues being all spent when it reaches the smoke pipe. Fire-Pot and Grate Extra Heavy and Durable.

If you want a Furnace, we can please you, and will guarantee satisfaction in writing.

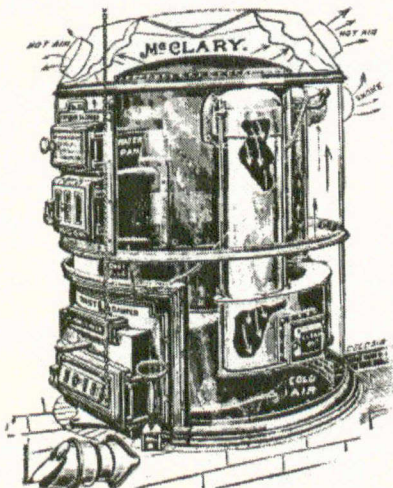

FAMOUS MAGNET

WOOD FURNACE. 8 sizes, with capacities from 10 to 10000 cubic feet. Heavy Corrugated Fire-Box, which presents a very large heating surface; all joints are "Cup Joints," set in Acetylene Cement and Bolts, entirely preventing smoke escape; all Exits on outside, away from action of fire; heavy cast iron damper; all operations of feeding, regulating and cleaning are done from the front.

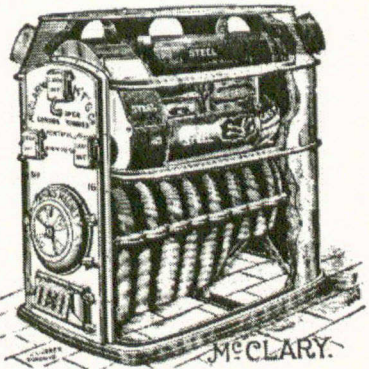

Write for Catalogue.
