BRIEFLETS.

We have unavoidably been delayed in this week issue of the REVIEW.

The Provincial Exhibition at Winnipeg will open on the 11th and continue till the 16th inst.

Last week as well as the preceding week were marked by the most abundant rain falls. The roads in the country are almost impassable.

The Rev. Fr. Touranseau, S. J. and a number of St. Boniface College professors left last Thursday for Rat Portage where they intend to spend a few days of a needed and well earned vacation.

On Friday there were at the same Church a much larger number of Communicants than usual, although as a rule the 1st Friday of the month is truly the day for special devotion among the members of the Immaculate Conception.

The vital Statistics of Winnipeg for the month of June show a record of 46 marriages, 27 deaths, and 262 births.

Among the marriages were those of L. S. Gendreau, M. D. to Miss A. Pacaud, by the Rev. Father Guillet, O.M.I., and John King to Miss Ella Beck by the Rev. Father McCarthy, O.M.I.

Parents should warn their children of the risk of going into the woods barefooted, says the Western Prairie, as this is the season when poison ivy is most dangerous and in showery or wet weather the plants are more venomous than at any other time. The irritation caused by the ivy is a difficult thing to cure and the greatest care should be taken to avoid danger.

On Thursday the last day of June, High Mass in honor of the Sacred Heart of Jesus was celebrated at the Church Immaculate Conception. The organ was held by Mrs. G. Germain, the ex-organist of the Church and a choir composed of M. Mrs. B. Bernhart and K. Buzzard, with the Misses W. Tobin, M. Wiese, A. CZernigiewicz, and the two Misses M. and E. Shaw, rendered Bordese's mass in G. minor, with great effect.

There will be a meeting held at the Immaculate Conception Church Thursday the 7th inst. at 8 P. M. to organize for a bazaar. The ladies of St. Boniface and St. Mary's are respectfully invited to attend and to lend their valuable assistance to the ladies of the Immaculate Conception. The Pastor, Rev. Father Cherrier, feels the want of, and depends on their hearty cooperation to ensure the success of the undertaking.

The Rev. Fr. Amyot O. M. I., and the Rev. Fr. Perreault, arrived in Winnipeg last Thursday. They both are related to our worthy citizens Mr. and Mrs. J. Bte Desautels of Ste. Anne, and they have come to take part in the celebration of the golden jubilee of the venerable couple. We extend our hearty congratulations to Mr. and Mrs. Desautels, wishing them to enjoy many more happy years, until they may celebrate their diamond jubilee.

A New Boarding-House For Small Boys.

The Sisters of Charity of St. Boniface, yielding to repeated requests from various quarters, have determined to undertake the management of a boarding-house for boys between the ages of six and twelve. Special halls will be set apart for them, where, under the care and supervision of the Grey Nuns, they will be prepared for their First Communion, while attending either the Preparatory Department of St. Boniface College or the classes of Provencher Academy. This establishment will be known as "Le Jardin de l'Enfance" (Kindergarten).

The results already attained in similar institutions of the Order give every reason to hope that this arrangement will fill a long felt want.

Board and lodging will cost six dollars a month. For the boys who attend Provencher Academy there will be an additional charge of fifty cents a month. Bedding, mending and washing will be extra. The Sisters are willing to attend to these extras on terms to be arranged with them. The boys who attend the Preparatory Department of St. Boniface College will have to pay the tuition fees of the College.

Applications should be made to

Diseases of the Liver.

You may always know when your liver is out of order, or when you are what is called bilious, by any of the following symptoms: Pain in the side and back, dizziness, dull headache, a bad taste in the mouth in the morning, yellow-colored complexion, yellowish tint in the eyes, costiveness or diarrhoea of slimy dark color, low spirit, and dismal forebodings. It is acknowledged by all physicians and others, who have seen their action, that Dr. Morse's Indian Root Pills are a perfect cure for all bilious affections. Dr. Morse's Indian Root Pills are sold by all medicine dealers.

Bronchitis Cured

After spending ten Winters South, was cured by Scott's Emulsion.

146 Centre St., New York, June 25th, 1888.

The Winter after the great fire in Chicago I contracted Bronchial affections and since then have been obliged to spend nearly every Winter south. Last November was advised to try Scott's Emulsion of Cod Liver Oil with Hypophosphites and to my surprise was relieved at once, and by continuing its use three months was entirely cured, gained flesh and strength and was able to stand even the Blizzard and attend to business every day.

At certain periods these Pills are an indispensable companion. From one to four should be taken each day, until relief is restored. A few doses occasionally will keep the system so healthy, and the blood so pure, that diseases cannot enter the body. Dr. Morse's Indian Root Pills are sold by all medicine dealers.

Of all the bereavements which are possible to a home, the loss of a child is perhaps the most disappointing, and the hardest to bear. During the heated spell in the summer in New York City as many as a thousand babies have died in a week. Of course, in a crowded city, with its unsanitary districts, many of these deaths would have occurred any way. The fact remains that this tremendous mortality was to a great extent due to the lack of inherent resisting power in the infants. These babies when born had in their bodies the seeds of disease. The deadly heated term only shortened the period of their sufferings.

If a woman wishes her babies to be healthy and strong and able to resist the usual ailments of childhood, she must take proper care of herself in a womanly way during the period of gestation. A woman who suffers from weakness and disease of the organs distinctly feminine is unfitted for wifehood and motherhood. Dr. Pierce's Favorite Prescription is a wonderful medicine for ailing women. It acts directly on the delicate and important organs concerned. It makes them well and strong. It allays inflammation, heals ulceration, soothes pain, stops exhausting drains and gives rest and tone to the tortured nerves. Thousands of women have testified to its almost miraculous merits. Many of them have permitted their names, addresses, experiences and photographs to be reproduced in Dr. Pierce's Common Sense Medical Adviser. This great book used to sell for \$1.50, now it is absolutely free. It tells all about the home-treatment of ordinary diseases. It contains 1008 pages, and over 300 illustrations. Several chapters are devoted to the diseases of women. For a paper-covered copy send 31 one-cent stamps, to cover cost of customs and mailing, to the World's Dispensary Medical Association, Buffalo, N. Y.; Cloth binding, 50 cents. "Favorite Prescription" is sold by all druggists.

BUYING DRUGS

Is entirely a matter of confidence, as in no other business is sophistication easier; nor does any other avenue afford so ready a means of disposing of worthless articles. You can buy a pair of shoes for \$1 or \$10—it's entirely a matter of quality. There is as much difference in the quality of drugs as there is in shoes, except in purchasing one you can use your own judgment, in buying the other you are entirely dependent upon the honesty and judgment of the Druggist. In one case it is only a matter of comfort and appearance, and in the other frequently of LIFE or DEATH.

You can always rely with the utmost confidence on the DRUGS and Medicines which you get at
