

Proceedings on Adjournment Motion

motioned to me that they were closed, representations were made by the citizens of those communities and as a result, the Canadian Pacific has accepted—I repeat has accepted, because I am told that those stations are open—to leave the waiting rooms at the disposal of the clients.

As for the other stations, seven trains are on a flag stop basis and two stop on Fridays.

If the hon. member has special cases to draw to the minister's attention, I will gladly point them out to him, especially since tomorrow morning I will communicate to whom it may concern the false information

which I provided this evening. I shall check this point with the department tomorrow morning. I shall be happy to give this.

I am also happy to tell the hon. member that Canadian Pacific officials have assured us that the problem of waiting-rooms would be studied, each case separately. We hope that with the re-opening of this waiting-room, the hon. member for Trois-Rivières—

The Acting Speaker (Mr. Béchard): Order, please.
