

That in the event of Mr. Speaker's being unable to act owing to illness or other cause, the Deputy Speaker or Deputy Chairman of Committees shall act in his stead for the purpose of reconvening the House.

**Mr. MacEachen:** Mr. Speaker, I rise on a point of order on the motion providing for the adjournment of the House. It is not my intention to call the adjournment motion at this stage because it may be more expeditious to postpone dealing with it until after the vote on the third reading of the unemployment insurance bill. I propose not to call this motion at the present time but following the vote on the third reading of the bill we are dealing with today, when I will ask for consent of the House to go back to motions and have the adjournment motion dealt with. What I am really asking now is consent to do that at that particular time and, if possible, to have an order of the House made providing for the ability to revert to motions at that point to deal with the adjournment motion.

**Mr. Baker (Grenville-Carleton):** There have been discussions carried on through the usual channels, and the government House leader's proposal is agreeable to us, Mr. Speaker.

**Mr. Knowles (Winnipeg North Centre):** Yes, Mr. Speaker, there have been discussions and we agree.

**Mr. Beaudoin:** That is agreed, Mr. Speaker.

**Mr. Speaker:** It is agreed and so ordered that, after the taking of the vote upon the third reading of Bill C-14, the House will revert to motions for consideration at that time of the adjournment motion standing in the name of the Deputy Prime Minister and President of Privy Council (Mr. MacEachen).

#### UNEMPLOYMENT INSURANCE ACT

#### MEASURE TO AMEND

**Hon. Bud Cullen (Minister of Employment and Immigration)** moved that Bill C-14, to amend the Unemployment Insurance Act, 1971, be read the third time and do pass.

**Mr. Knowles (Winnipeg North Centre):** Mr. Speaker, I rise on a point of order. There have been discussions about another matter as well. I think you will find there is agreement to provide that a 20 minute rule apply to all speeches today on third reading. This agreement has come about because, after all, there is a limited amount of time. If we had 40 minute speeches or speeches of unlimited time, not many members would be able to speak. I believe such agreement has been discussed among all four parties.

**Mr. Baker (Grenville-Carleton):** That is correct, Mr. Speaker.

**Mr. Beaudoin:** That is agreed, Mr. Speaker.
