

November 24, 1919.

H.S. Birkett, Esq., C.B., M.D.,  
Dean of the Faculty of Medicine.

Dear Dr. Birkett,

I am enclosing herewith a letter from  
Dr. B. Franklin Royer to the President of McGill University,  
under date November 21st.

Dr. Royer states that they intend to  
establish a public health nursing course at Dalhousie Univer-  
sity and asks for information which will assist them in this  
connection. I shall be very glad if you will reply to him  
directly. Will you also please send him a copy of the  
Medical Calendar.

I remain,

Yours very sincerely,

Encl.

Acting Principal
