Col Lang's death in the paper  
I think he had a billet - he was well  
fitted for & did well in it, there  
are great possibilities in such a  
billet with the right man in it  
who can teach & inspire enthusiasm.

My respects & esteem to  
Dad & Currie, again many  
congratulations, entre nous  
I think you should be made the  
10<sup>th</sup> Canadian Governor General  
when you are ready to leave the field.  
I am Sir yours ever A. C. Macdonell
