Violin, Banjo and Guitar Strings from the best manufacturers, Fairbanks & Coles, of Boston. We have a few special Violins made to order, imported direct from the makers in Germany. These Violins are very fine, splendid tone, fine finish. Anyone intending to buy a First-Class Violin, should by all means see them before buying elsewhere.

Sheet Music and Music Books. Catalogue of Sheet Music sent free to any address. Don't forget us when you are in the City, and note the address.

BUCK'S STOVE WORKS

BRANTFORD, ONT.

We beg to call attention to the large line of Coal and Wood Warm Air

FURNACES

Which we are now manufacturing. They have all latest improvements, and are made in the best possible manner. If desired we will send thoroughly competent men for consultation in respect to heating required, to give estimates of cost and superintend construction. Our prices are as low as is consistent with the best workmanship and use of the best material. We give all reasonable guarantees. Correspondence solicited. Address,
