DESCRIPTION & PEDIGREE.

Bay, white face, white feet, foaled 1882. Imported by Door Prairie Live Stock Association, La Porte Co., Ind. Sire, Young Prince of Wales, (1018); gr. sire, Prince of Wales, (673), the noted Drew Horse; g gr. sire General 322; g g. gr. sire, Sir Walter Scott, 797. Sir Walter Scott won first prize at the Highland Society Show at Dumfries in 1860; also the premium at the International Show held at Battersea same year, his dam, Polly, vol. 6, by Rob Roy, 707. Rob Roy won second prize at Highland Society Show at Glasgow, 1857; showing plainly that Bewcastle descended from the most famous families of Clydesdales that could be produced in Scotland. He was selected by his importers for their breeding stallion, and served their most valuable Clydesdale mares, as they considered him what the American market demanded. He is sure, and a good sire can't fail to leave the kind of stock that sells for the big prices.
