**O. J. C. HOLD ANNUAL
ELECT THEIR OFFICERS**

The annual meeting of the Ontario
Jockey Club was held yesterday at the
club's offices, Imperial Bank Build-
ing, the president, Mr. Joseph E. Sea-
gram occupying the chair.

The chairman referred to the success-
ful season enjoyed by the club, and
stated that purses had been substantially
increased during the past year, and now
amounted to more than \$100,000, dis-
tributed between the spring and autumn
meetings. Work on the new grandstand
at Woodbine Park was now going ahead
very fast, more than two thousand feet
of steel work being already erected, the
contractors being bound to complete
everything before May 1 next.

A dividend of five per cent was de-
clared on the capital stock for the past
year.

The following officers were re-elected:
President, Joseph E. Seagram, Waterloo;
first vice-president, Sir Edmund B.
Coster, M.P., Toronto; second vice-presi-
dent, Sir Lyman Melvin Jones, Toronto;
executive committee, D. W. Alexander,

TEAMS ON THE OCEAN.

VICTORIA, B.C., Nov. 20.—Prophecies
a greater team than ever next year, but
refusing to make any statement as to
probable changes. Mugby McGraw sailed
for the Orient last night on the Empress
of Japan together with other members of
the Giants and White Sox party. There
are over thirty baseball players and over
half a hundred are making the land in
cluding the wives of some of the players
and a score or more real fans.

AMERICAN LEAGUE MEETING.

CHICAGO, Nov. 20.—The annual spring
meeting of the American League will
not be held in New York until March
1, according to an announcement made
today by Ben Z. Johnson, president of the
league. The meeting usually is held in
February, for the purpose of passing on
the league's playing schedule, but will
be postponed owing to the absence of
President Comiskey of the Chicago Cubs,
and McAleer of Boston, who will be due
in New York on March 6.

SELLS ONE, BUYS ANOTHER.

BERLIN, Nov. 20.—The German Em-
peror today sold his schooner Meteor
for which he had so often been victor-
ious in yacht races, for the emperor-
ship. A new schooner for the emperor
is being built by Max Cotta of Hamburg,
and another one is being ordered.
The emperor's new schooner was ordered
after his success would have an impor-
tant bearing on the question whether Ger-
many would challenge for the America's
Cup, with a cutter designed by the same
builder.

FACTS ABOUT THE HORSE TRADE

Carload shipments have been the fea-
ture of trade at Maher's Horse Ex-
change during the past week. The class
in demand has been the heavy draft
and constructive and bush work, and none
but sound young horses have been ac-
cepted.

Mr. Manley Chew shipped a car load of
heavy horses to Sprague, Ont., for work
in the lumber woods. These horses were
a fine type of drafters, seasoned to hard
work and ready for the severe test in the
woods. Another load was shipped to the
Dominion Dredging Co. at Port Dalhousie,
Ont., and they are the best to be had
in the Toronto market.

Other buyers were: J. Jacobs, Montreal;
P. H. Leverton, J. Mc-
Dowell, Campbellville; Price's Dairy Co.,
Chas. Smithson, Thos. Beck, J. Shep-
pard, J. Mead, Wm. Dickson.

STRATFORD, Nov. 20.—Reg. Rankin,
one of the foremost goalkeepers in the
Stratford O.H.A. team for years, has fi-
nally made the jump to the professionals,
having signed a contract to play for the
Ontarios in the N.H.A. Jimmy Murphy
secured his signature yesterday, and he
should be a valuable man. As a goal-
keeper he ranks among the best. Rankin
has many tempting offers last year to
turn pro, but refused them all.
