CONFEDERATION LIFE

ASSOCIATION.

Head Office . . . TORONTO, ONTARIO.

PRESIDENT HON. W. P. HOWLAND, C.B. Late Lieut, Governor of Outario.

VICE-PRESIDENTS, HON. W. MoMASTER, W. ELLIOT, Esq.

This Association affords all the Benefits of MUTUALITY, with the Security of a Stock Management.

EXAMPLES OF PROFITS.

No. of Policy.	Kind of Insurance,	Sum Assured	Annual Premium.	For 1876.			For 1877. Cash. Bonus.	
$\frac{1}{7}$	Life.	\$10,000	\$238.20	\$ 74.40	\$217.00	\$ 90.60	\$258.00	
	10 Paym't Life	5,000	259.40	112.10	297.00	130.00	333.00	

It will be observed that these results are not only very handsome, but are also Equitable. If this Association distributed the Profits on the ordinary PERGENTAGE PLAN, allowing a bonus of 2} per cent., payable at death, then the Profits would have been as follows:—

roney No. 1. For 1877. Cash.....\$87.93. Bonns.....\$250.00.

It will at once be seen that such a System as this last cannot commend itself to persons who will take time to consider it, as it not only does injustice to persons paying by a limited number of Fremiums, but it gives only the same profits after a person has paid a score of Fremiums.

The above profit-results, which place the Confederation Life in the yan of Life Companies in Canada, are the attained by Rot paying more for business than it is worth.

Adopting a High Standard of Valuation from the outset. (fiving 50 per cent. of the profits to Policy-holders. The exercise of care andjectonomy in all branches of the business. And employing a Mode of Division, just in its results, giving to each in the proportion in which each has contributed to profits.
