LOST APPEAL
AGAINST RAILWAY

Board Has No Right to Order
Company to Lay
Pavement.

MEET PREMIER TODAY

Deputation Will Discuss Un-
employment Situation Ask-
ing Co-Operation.

The privy council has decided against
the appeal of the Toronto
Board of Trade against the judg-
ment of the appellate division of the
supreme court of Ontario that the
company should put new pavement on
the track allowance on Davenport
and Bathurst street.
This means that the railway board
has no right to order the railway com-
pany to lay a new pavement on its
tracks. The company contended that
it was only to repair portions of the
pavement and not to construct pave-
ments, the estimated difference in the
cost being \$50,000.

Take Up Unemployment.
Premier Hearst will meet the com-
mission on unemployment this morning
at 10 o'clock. The deputation will ask
that the good roads program be gone
on with, that the government do all it
can in the way of speedily beginning
any public works that can be done in
the winter, that the work of clearing
lands be gone on with, that the
government take up the question of es-
tablishing mills to create local markets
for pulpwood and timber.

Ask Ottawa Too.
The Dominion Government will be
asked to go ahead with works in Tor-
onto that have already been planned
for. Work on the new depot and the
railway viaduct is promised to com-
mence on March 1.

Can Not Get Men.
The Salvation Army says it can place
2,000 men on the farms in Ontario, but
cannot get the men.
After a long discussion as to the rate
of wages to be paid for relief work it
was decided to recommend to council
that a sum set aside for relief work,
that the rate be 25c an hour and 7
hours work a day.

Will Launch Campaign.
A sub-committee, composed of Ald.
Robbins and Wickert and Mayor
Church, will meet this morning to
select 50 prominent citizens to con-
duct a "Give-a-man-a-job" campaign
throughout the city.

Jews Out of Work.
Louis Gurofsky waited on the civic
unemployment committee yesterday
afternoon on behalf of the Jewish
citizens who are out of work. There
are about 2,000 garment workers idle,
and about 800 laboring men. Practi-
cally no Jews are out of work in the
civic employment bureau. There are 35,000 Jews
in Toronto, and one man in every
100 gets work should be a Jew, he
said. Only two garment firms in
Toronto have secured contracts from
the militia, while large contractors have
been placed in Montreal.

Can Use Hall Now.
The Toronto Publicity and Pet. Soc.
show yesterday asked the board of
control for the free use of St. An-
drew's Hall, with heat and light. The
request was granted.
Corporation Counsel Geary has ad-
vised the board of control not to pay
the account of John Mackay & Co. of
\$12,000.

Is an abattoir nuisance in ward
seven is not abated by Jan. 30 an in-
junction will be asked for.
J. R. Shields, chief electrical in-
spector, wrote the board of control
yesterday as to the jurisdiction
over his department of the city archi-
tect's department. Mayor Church is
in favor of Mr. Shields having his own
department.
The city solicitor has recommended
that the salary of the fair wage offi-
cer be \$1500 per annum.

CONVICTED OF WOUNDING
BROTHER-IN-LAW IN FACE

William Gunn Fined Twenty-Five
Dollars for Offence by
Judge Winchester.

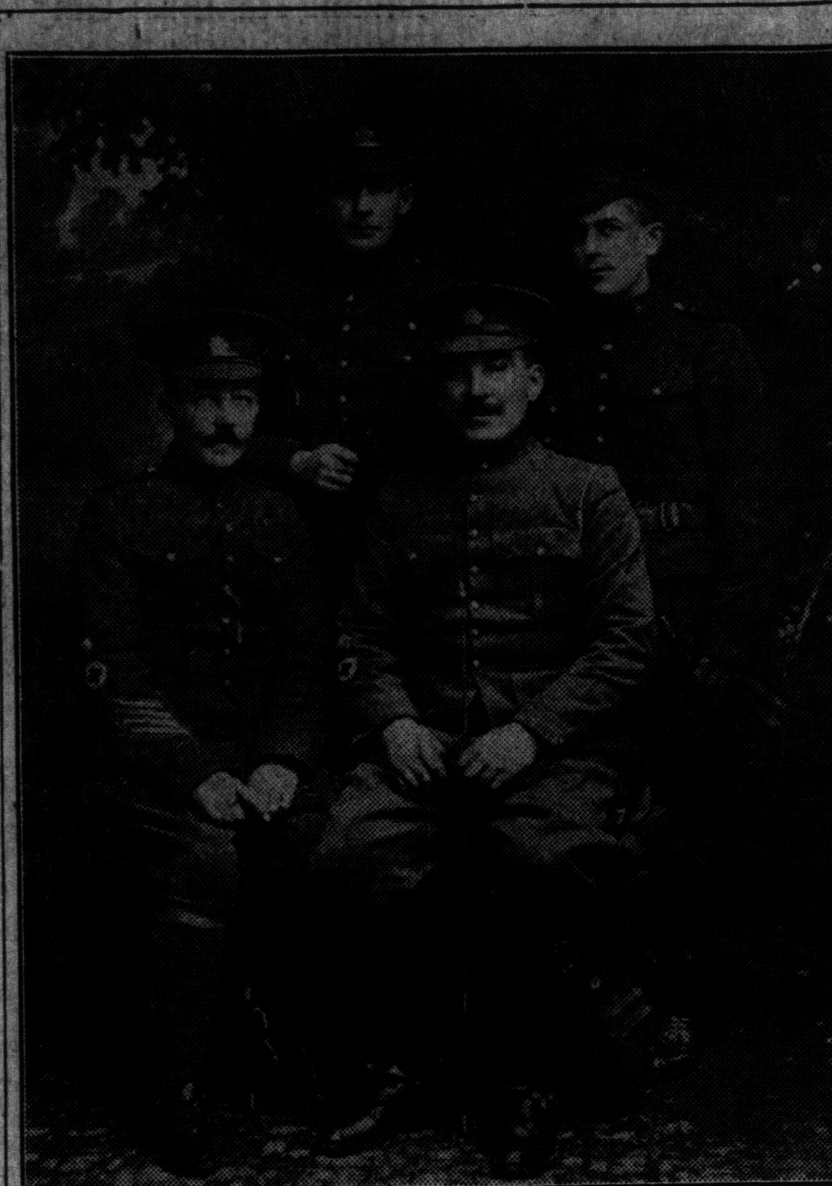

William Gunn was yesterday found
guilty by Judge Winchester on a
charge of wounding Leo Farnham, his
brother-in-law, and fined \$25 or 60
days.
Prosecutor swore that prisoner at-
tacked him after he had fought with
what he thought was a knife, and
cut his face. Evidence was called to
prove that Farnham was the aggressor
and that the wounding was caused in
a fight by being struck in the face, and
that the cut was caused by prisoner's
leg or finger nails.

Macdonell, whose death occurred at St.
Joseph's Hospital, Guelph, took place
yesterday morning from his mother's

old Angus D. Macdonell and he was

and at the time of his death was 55
years of age. He is survived by two

TORONTO-TO-HAMILTON
QUESTION IS REOPENED

Special Committee Appointed to
Decide on Route Thru Bur-
lington and on to Hamilton.

In view of the controversy that has
arisen over the route of the Toronto-
Hamilton highway thru Burlington
and on to Hamilton, at a meeting of
the commission yesterday, it was de-
cided to reopen the whole question,
and for that purpose a special com-
mittee was appointed, consisting of
George H. Gooderham, M.L.A., G.
Frank Beer and Mr. Davis of Oakville,
to investigate the whole matter and
report to the commission.
Altho the severity of weather condi-
tions has curtailed work on the high-
way to some extent, the commission
has been able to keep about 200 men
at work on the various grades around
Clarkson's and Lorne Park, with a
small gang at Oakville. At the west-
ern end most of the work that can be
proceeded with at this time is about
completed.

BISHOP OF TORONTO AWAY.

The Bishop of Toronto left yesterday
for the meeting of the Ontario
House of Bishops at Kingston, and
will proceed from Kingston to Quebec,
where he will preach in Trinity
Church on Sunday evening, and take
part in the consecration of the Very
Rev. Dean Williams as Bishop of Que-
bec on Monday morning. He will re-
turn to Toronto about the middle of
the week.

DATE OF CONCERT
HAS BEEN SETTLED

Mendelssohn Choir to Sing for
Soldiers February
Nine.

WARLIKE APPEARANCE

Battalion Goes Thru Exercise
at High Park With
Rifles.

Announcement was made at Exhi-
bition camp yesterday afternoon that
the concert to be given by the Men-
delssohn Choir in the transportation
building will not be held on Feb. 4
as previously arranged, owing to a
command banquet for officers to be
given at Ottawa on that date. Major
Deacon and Col. Langton of the Na-
tional Council of the Y.M.C.A. con-
ferred with Col. Louis yesterday re-
garding a suitable date, and it was
decided to hold the concert on Tues-
day, Feb. 9, at 7.30. The lieutenant-gov-
ernor, Hon. Lieut.-Col. Hendrie, who
will be one of the distinguished
guests present, can arrange to attend
on that evening. Two hundred and
forty members of the Mendelssohn
Choir will take part in the concert.
In addition to the 5000 troops in camp
about sixty prominent Torontonians
will also be present.

Warlike Impression.
Headed by the camp brass band the
1100 men of the 20th Battalion march-
ed to High Park yesterday afternoon
and went thru a number of tactical
exercises and manoeuvres. A number
of the officers were mounted, and as
the troops carried their rifles and the
officers unsheathed swords the bat-
talion made a distinctly warlike im-
pression. The soldiers returned to
camp at 5 p.m. and before being dis-
missed paraded on the grounds west
of the manufacturers' building.

Belgians Mobilize.
A third detachment of Belgians is
now mobilizing at the camp at Exhi-
bition Park. Three Belgians are
now there and thirteen more are due
to come in by today, ten from Detroit
and three from St. Louis. After a
few days' drill they will leave for
Europe to join the army in Belgium.
Twenty-one men arrived at the
camp from Winnipeg at 3.30 p.m.
yesterday. They will be added to
Divisional Ammunition Park. Lieut.
Robertson was in command.

Many Slightly Ill.
On account of a number of the
troops being laid up with influenza
attacks the 80 beds in the station-
ary hospital are now all occupied
and 30 more are to be installed. This
will allow of all the soldiers having
influenza being kept separate from
their units and thus check the spread
of the cold to others.
In order to prevent smallpox get-
ting a start among the men of the
third contingent arrangements have
been made for the detachments to be
vaccinated at their regimental head-
quarters before mobilization takes
place. This will especially apply to
the detachment located in central and
western Ontario, where smallpox is
now prevalent.

Sil. Adam Beck was at the camp
yesterday. He visited the quarters
where the remounts are kept and
made another inspection.
Twenty men left Toronto yesterday
for Kingston to train for service with
the Canadian Field Engineers. These
men will bring the organization of the
army up to its full strength of 30, and
are, in addition to the 70 engineers
now in training at the armories here
for the second Field Engineers.

More Men for Autos.
Word has been received from Otta-
wa to enrol 165 more men for the
Motor Machine Gun Battery. The 101
men required for the Eaton Machine
Gun Battery of 15 cars, are now all in
camp and training under Capt. Wil-
liam Morrison. Lieuts. H. W. Scar-
widell, J. Moss, T. R. Young, V. H.
Richards, L. B. Scardfield, J. Fisher
B. W. Farrow, Lieut. Quartermaster,
A. S. Jarvis, Mechanical Sgt.-Major
Burton. The first car is expected to
be delivered by the Russell Motor Car
Co. by Saturday. The total of 40 cars
and 80 rapid-firing guns being centred
here will give Toronto the honor of
supplying the largest machine gun
battery in the world.

Entertained at Concert.
The Sons of England gave a concert
under Y. M. C. A. auspices, in the dairy
hall last night. Music by a male choir
of 90 voices, readings and speeches
featured the entertainment. There was
a large attendance of the contingent
members.

All officers, N.C.O.'s and men of the
contingent have been invited to be
present at the physical entertainment
to be given tonight in the transpor-
tation building by the Central, West
End and Broadview Young Men's
Christian Associations. The program
will be of interest, consisting of
fancy dances, boxing, wrestling, fenc-
ing, jumbling, elephant work, high
jump, etc. The new patriotic song
"We're From Canada," by Miss Irene
Humble, which has already met with
great success, will be sung.

HORSES WERE DROWNED
OWNER GETS JUDGMENT

A. Valois Given Damages in Ac-
tion Against M. L. Foley in
County Court.

Judgment was given A. Valois of
Mattawa, in the non-jury county
court, by Judge Coatsworth, in the
action brought against M. L. Foley of
Toronto, for \$216, being the value of a
horse rented from plaintiff for team-
ing on Elk Lake, where the horse was
drowned in March, 1914.

Valois stated that the only condi-
tion he would rent horses to the de-
fendant for teaming was that he be
guaranteed to make good any loss he
might incur thru any of his horses be-
ing drowned. Foley denied giving any
guarantee and alleges that the plain-
tiff worked his horses entirely at his
own risk.

PAIGE
"The Standard of Value and Quality"

51 Paige Cars Sold at
the New York Show

And they were bona fide orders, too, taken
by the New York Paige Distributor during Show
week. Every motor car made in America was
shown at the New York Show, which is the largest
show and the most critical audience in the motor
car world. Its verdict is final. And the Paige
distanced the whole field in making this unique
record—51 cars—sold.

What does this record mean?
Paige Supremacy—Paige Excess Value—and

Wonderful Response.
There has been a wonderful response
to the appeal made by the 100th Regi-
ment (The King's Own) for articles for
the Red Cross. Facilities for collecting
have been taxed to the limit and a con-
tinual stream of people have been
bringing parcels to the armories. A
dozen motor car owners have helped
in collecting. The total of parcels by
yesterday evening reached 4,000.

Will Publish Names.
It has been decided by A. J. Russell
Snow, R.C., registrar of alien enemies
that in the case of aliens seeking per-
mission to leave Canada he will pub-
lish the names before issuing the ex-
cess to give anyone who has objections
an opportunity to state them. He also
intends to have each excess accom-
panied by a photograph of the bearer
so as to prevent it being transferred.
Unless objection is raised exactly are

to be granted to Henry Niemann, late
manager of Krausmann's; A. Loewen-
stein, traveler for Welles and Bibbier
(Canada) Limited; and Simon Kuch-
arski, musician and tailor. Prof. Ben-
singer has not yet made formal ap-
plication.

Q. O. R. Route March.
Practically the full strength of the
Queen's Own turned out for route pa-
rade and drill last night. The battalion
was under the command of Col. Peuch-
on and the full band was in attendance.
The regiment is now up to strength and
is refusing all new men unless they
are of exceptional fitness.
Recruiting was started for the new
Armored Motor Battery at the armo-
ries last night. Several recruits were
received and medical inspection will
start practically immediately.

**BOARD DISMISSES
RESIDENTS' APPEAL**

With Roxborough Street Work
Finished, Had No Power to Re-
view Assessment.

The Ontario Railway and Municipal
Board yesterday dismissed the appeal
of W. A. Kemp and other residents of Rox-
borough street east to set aside the work
of paving the street as a local improve-
ment.
The residents were not satisfied with
the allocation of the cost of the work and
asked the board to set aside the whole
project as invalid. The city contended
that the board lacked jurisdiction, which
was upheld by the board, taking the view
that when the work was completed it
had no power to review the assessment.
