Correspondence solicited with Wood Exporters, especially Spruce;
also with Wood-Pulp Manufacturers. Spain is becoming an im-
portant market, worth attention, for Canadian produce. Can
establish regular trade from the leading importing firms through-
out the Peninsula. First class references.

**Lumberman's
Vest-Pocket
Inspection Book**

Compiled by the Editor of the
CANADA LUMBERMAN.

Containing rules for the inspection of Pine and Hard-
wood Lumber in the leading markets of Canada and the United
States, embracing also many useful tables and calculations of
every-day service to lumbermen.

Every care has been exercised to insure the accuracy of
the information published in this Inspection Book. The memo-
random book feature has been adopted with the object of
making the book additionally convenient and valuable.

**The Lumberman's Vest-Pocket
Inspection Book**

will be sent, postage paid, to any address in Canada on receipt
of four three-cent stamps, or to any part of the United States
on receipt of twelve cents.
