STEAM COFFEE & SPICE MILLS.

Having procured the latest and most improved Machinery for Grinding Coffee, Spices, Mustard Cream Tartar and Baking Powder, I am now prepared to furnish the Trade with the very best articles in the above lines at moderate prices. Coffee Roasted and Ground for the Trade in my Improved Patent Air-Tight Cylinder Roaster. The Cylinder being air-tight, but little of the Aroma can escape, and it is impossible for the gases from the fire to enter the cylinder and injure the flavor of the coffee as is the case in other inferior roasters. Coffee roasted in this way will go further and be better flavored than that roasted by any other process, and is consequently cheaper.

C. H. GIRDLESTONE,

30 and 32 Owen Street, WINNIPEG.
