

Student Activities

1. A Red Cross branch was organized in June, 1915, by the girls of the R.C.I. and good work was done during the Summer holidays. In the Fall re-organization took place and the girls of the school are divided into groups for Red Cross work, the boys raising the necessary money by weekly contribution and otherwise. The supplies go to the Queen's Hospital in Cairo. Apart from actual supplies furnished by the girls, the sum of \$1,000.00 has been contributed to patriotic purposes by the teachers and pupils of the Collegiate since the beginning of the war.

2. The Literary Society plays a very important part in the life of the school and in training towards proficiency in public speaking. The R.C.I. Glee Club assists in the musical part of the programmes.

3. Physical training under the close supervision of experts is a regular part of the school curriculum. Outdoor games are also encouraged.

4. The R.C.I. now has two companies of Cadets, supplied with khaki uniforms, and last Spring a company of girls was organized and took part in the annual inspection. The girls' uniform consists of white middies and dark blue skirts with special white hat. Next spring it is hoped to have at least two companies of Girl Cadets.
