Big Saving on Fall Suits for Women

A manufacturer over-estimated the number of Ten-Dollar Suits he could dispose of to his regular customers by just one hundred. When we saw the Suits, we knew that a price of Six Ninety-five on them would give us a brisk little mid-week sale on Wednesday morning. Here they are:—

Women's and Misses' Suits of a fall weight tweed, in stripe effects of green, purple or brown tones; coat is a smart square cut style, double breasted, lined throughout, pleats on back trimmed with buttons; has velvet collar to match shade of coat, trimmed with braid; neat pockets with flaps; skirt is pleated on gore seams; women's sizes are 32 to 40 bust measure; misses' 14, 16 and 18 years. The regular selling value of these suits would be \$10.00. Manufacturer was overstocked, and gave them to us at a price. You can get the benefit of this purchase to-morrow when they go on sale at \$6.95.

MISSSES' AND SMALL WOMEN'S FALL COATS.

40 Fall and Winter Coats, suitable for misses or women who wear misses' sizes; made of good qualities of friezes, diagonals, vicunas and worsteds; colors in the lot, but not in each material, are blacks, navys, cardinals and browns; made in fashionable styles; some with deep turn-down collars; others have military collar, trimmed with either velvet, braids or self. Sizes are 14, 16, 18 years. Special price for Wednesday's selling, only \$6.95.

WOMEN'S SEPARATE SKIRTS.

Special sale of Women's Separate Skirts, of a variety of serviceable materials, Panamas, diagonal serges and worsteds, and striped worsteds; in the lot are navy, greys, greens, brown and black; made in a number of smart semi-pleated styles; some have new point d effects on side gores; trimmed with self fold; a large range of sizes to select from. Tapestry Room Rugs Seamed and Seamless

As a rule Brussels Rugs surpass Tapestry Rugs in perfection of design and the way it is worked out. But it is in this quality of design that our new stock of Tapestry Rugs surpass any that have ever been shown in Toronto.

Designs heretofore considered impossible in tapestry rugs, plain borders or plain centres, without any printing streaks, small deeper designs as clean cut as a mosaic floor. Large medallions as perfect in their varied colors as an Armenian; pretty florals as dainty in color tints as a printed chintz. And they'll wear to your satisfaction no matter how exacting you are in this respect.
