

LOCAL OPTION FIGHTS THROUGHOUT THE PROVINCE

Number of Important Places Which
Will Vote on Bylaws in Janu-
ary Next.

One of the busiest places in the city these days is the office of the Ontario branch of the Dominion Alliance. The workers are preparing for their local option campaign. The secretary of the alliance states that on Monday, Jan. 2, 1911, between 80 and 90 municipalities will vote upon the question of local prohibition.

A feature of the campaign is the fierceness of the attempts to repeal local option. Last year there were 111 municipalities in which repeal contests were possible, but in only 12 was the matter brought to a vote, and only two bylaws were repealed. This year there are 137 municipalities in which repeal contests might be brought on, but repealing bylaws will be submitted in only about six. These are: Ancaster Township, Colborne Village, Howick Township, Beverley Township, Goulburn Township and McKellar Township.

Not only are the temperance people busy with the campaign places that will vote in January next, but already organization is being effected for the inauguration of campaigns in places that will not vote till January, 1912. This is being done by means of county conventions. Already half a dozen such conventions have been held, with the result that there is now a list of about 50 municipalities that are entering into a fight which will culminate a year from now.

This year contests are on in both the extreme eastern and western parts of the province. The Town of Amherstburg, in Essex County, and the Town of Lancaster, in Glengarry County, will both vote. Every municipality in the County of Glengarry is into the fight, including the Town of Alexandria, the Villages of Lancaster and Maxville, and the Townships of Kenyon, Lochiel and Lancaster. Just over the border the Village of Vankleek Hill, in Prescott County, and the Township of Roxboro, in Stormont County, are also voting. Other important eastern points in which the battle will be fought are the Towns of Arnprior, Perth, Smith's Falls, Napanee, Gananoque, and the Villages of Merrickville, Newburg and Newcastle.

In the northern part of the province, if the campaigns now on are successful, it will mean the entire cleaning up of large areas. Among the places voting are the Towns of Barrie, Bracebridge, Huntsville, Burk's Falls, Beaverton and Sutton. There will not be much doing in the northern part of the province, the only fights being in the Villages of Port Elgin and Paisley and the Township of Almarley.

The City of Guelph is the centre of a hot fight. One of the strongest and best organizations in the province is that of the citizens' committee in Guelph, and the campaign is being systematically carried on along practical lines. Just near Guelph, voting will take place in Guelph and Puslinch Townships, Erin Village and Drayton Village. Dufferin County has only three locations. These are all in the Village of Grand Valley, which place is looked upon by both parties as a strategic point, and will be the scene of a hard fought battle.

In Western Ontario the most interesting group of contests is that of the Township of Aldboro, with the Villages of Rodney, West Lorne, Wardsville and the Town of Bothwell. In these places are successful, it will mean a big white spot in the map of Elgin County. The hottest place in the province, however, is the County of Welland. Here a county convention was held last spring, at which it was decided to bring on a fight in every municipality in the county, as far as possible, with the result that ten municipalities will vote in January, including the Towns of Welland, Thorold, Port Colborne and Bridgeburg, with the Townships of Thorold, Crowland, Humberstone, Stamford, Willoughby and Bertie.

Kind Comment.

Caught a Heavy Cold. It Left Him with a Hacking Cough.

Mr. J. H. Richards, 1852 Second Ave., East, Vancouver, B.C., writes:—"Allow me to write a few lines in praise of your Dr. Wood's Norway Pine Syrup. Last fall I contracted a heavy cold which left me with a hacking cough, and every time I would get a little more cold this hacking cough would become a lung splitting one. It kept on getting worse and I kept on spending money buying different cough remedies until a friend asked me if I had ever tried Dr. Wood's Norway Pine Syrup. I told him I was willing to try anything I thought would cure, and on the same day bought two bottles. Before half the first one was used my cough began to get much easier, and by the time I had used a little and a half my cough was gone. I am keeping the other half bottle in case it should come again but I am quite sure I have a positive cure. Let me recommend Dr. Wood's Norway Pine Syrup to all who suffer from a cough or throat irritation of any kind."

Dr. Wood's Norway Pine Syrup is put up in a yellow wrapper; three pine trees the trademark; price 25 cents. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

PRESBYTERY DISCUSSES CHURCH UNION BASIS

Debate Will Resume December 6—
Feeling That Modifications
Will Be Required.

A special meeting of the Toronto Presbytery was held yesterday to consider the proposed basis of church union, which has been prepared after five years of earnest conference. It was accepted by a substantial majority by the last general assembly, and is now sent down for the consideration of presbyteries. The Presbytery of Toronto, recognizing the importance of this question, appointed a special meeting for the consideration of the matter.

A large number of the members of the presbytery were present and a committee of six members had been appointed by the presbytery to present the various phases of a basis of union.

Rev. D. Neil spoke in general introduction of the question, tracing the first story of the movement, which has resulted in the presentation of a basis of union. He deprecated any haste in bringing about a union, at the same time expressing his preference for it, because of the great need of united effort in aggressive missionary work and because of the new stimulus and life that will result from the introduction of new elements from other churches.

found to contain a happy blending of the best in all the churches.

"This statement," said he, "is as Calvinistic as any sound theism must be, and as Arminian as any statement of truth dealing with human freedom must be. It is not a system of dogma; it is rather a confession of faith. Churches and Christian people that can unite on such a confession of faith may surely be one."

In regard to the statements of policy, some divergence of opinion was expressed. Rev. A. L. Geggie pointed out certain elements in the statements that tended, in his opinion, too much toward autocratic government instead of a democratic government, such as has marked the church in the past.

In presenting the statement of the articles dealing with the training and settlement of the minister, Rev. A. H. McCallum expressed substantial satisfaction with the statement relating to the training of the minister. With respect to the settlement of the minister, he felt that the method proposed would only accentuate the spirit of unrest now deplored, rather than mitigate it.

John A. Paterson, K.C., dealt with the legal provision it is proposed to enter to safeguard the interests of the

several churches and the progress of the mother church.

The afternoon was devoted to a general discussion of the question. All shades of opinion were expressed as to the basis of union, but on the general question of church union there seemed to be substantial agreement.

After considerable discussion, it was found that the time at the disposal of the presbytery would not allow a decision to be reached, and it was agreed to adjourn the debate until Tuesday, Dec. 6, when the discussion will be resumed at 2 p.m. A strong committee with Principal Gandler as convener, was appointed to receive all motions and suggestions concerning a basis of union and present them at the next meeting.

The general feeling throughout the meeting was along the line suggested by Rev. Mr. Geggie, concerning the autocratic policy of the basis, and as there are many modifications, it is doubtful if it will be accepted.

From His Grace the Archbishop. The secretary of His Grace Archbishop McEay, writing from the palace, St. John's Grove, Scarborough, to the secretary-treasurer of the National Sanitarium Association, says: "To encourage your good work at Muskoka, I am instructed to enclose you a cheque for \$25 from his grace, wishing you every blessing on the work."

Contributions may be sent to Mr. W. J. Gage, chairman of the executive committee, 84 Spadina-avenue, or to the secretary-treasurer, National Sanitarium Association, 247 King-street West, Toronto.

GRAHAM DENIES RUMOR.

GLASGOW, Nov. 15.—Sir Hugh Graham, speaking to a representative of the Canadian Associated Press, said the report that he is to succeed Lord Strathcona, Canada's high commissioner, is absurd. He pointed out that there was no vacancy in the commission, and stated that Canadians hoped that Lord Strathcona will remain in office for years to come.

Will Not Be Tried.

NASHVILLE, Tenn., Nov. 15.—The retrial of Robin Cooper, charged with the murder of ex-U. S. Senator Carmack, was indefinitely postponed in the criminal court to-day. Mr. Carmack was shot to death on Nov. 9, 1908. Col. Duncan Cooper, his son Robin and John Sharp were arrested, charged with the crime. Sharp was acquitted, but the two Coopers were convicted and sentenced to 20 years each. Duncan Cooper was pardoned, and the state supreme court granted the younger man a retrial.
