

WINNIPEG COUNCIL EVENLY DIVIDED

Citizens' and Labor Aldermen
Equal—Gray Has Cast-
ing Vote.

Winnipeg, Man., Nov. 29.—Winnipeg's 1920 city council will be practically on an even division between labor members and straight citizens' representatives. This is the result of yesterday's municipal elections.

Mayor C. F. Gray, who won a signal victory over S. J. Farmer, labor candidate, by a majority of 3116, will be in the unenviable position of having to give a casting vote on straight labor issues.

An actual total of the votes cast shows that the citizen candidates polled nearly 6000 more votes than the labor candidates. This is very interesting in view of the fact that next year's fight may be waged with the ward system abolished.

Another outstanding feature is that of the 15 labor candidates placed in the field, only four were successful. The line-up for the 1920 city council follows:

Mayor—Charles F. Gray.
Aldermen—Citizens: J. Sparling, J. G. Sullivan, P. O. Fowler, A. H. Palford, George Fisher, H. Gray, F. H. Davidson. Labor: J. Robinson, John Queen, A. A. Heaps, W. B. Simpson, J. Blumberg, J. L. Wighton, J. Johns.

Seen of the council elected last year, Spaulding, H. Gray, Robinson, Heaps, Simpson and Wighton are serving two year terms.

Only one labor Trustee.
The laborites carried only one seat on the school board. This was in Ward 1, their stronghold, where Mrs. A. Albin defeated the sitting member, Max Steinkopf.

The vote was far the heaviest on record, being nearly double that of 1917, when 15,000 votes were polled. The favorable weather being a factor responsible to some extent. The last official return did not reach the city hall until 11:30 p.m.

The bylaw providing for the erection of a new bridge to cost \$250,000 across the Assiniboine River at Maryland street, was carried, but the bylaw providing for the establishment of a municipal dairy, purchasing the private plants, was defeated.

Gladness at City Hall.
Like the proverbial calm which follows a storm, the atmosphere at the city hall yesterday was a direct contrast to that which has prevailed during the month. Successful candidates are congratulating each other, and the losers are taking everything in good part. There is general regret at the defeat of Ald. R. R. Hamilton in ward six.

Asked if there would be a recount, Ald. Hamilton stated that it was being taken up by his committee.

Mayor Gray, while he appreciated the fact that greater responsibility had been placed upon him, the citizens need have no fear. "I will act with fairness and justice to all," he said.

Gray to Thank Workmen.
"I'm going to the City Hall tomorrow first opportunity to thank the men there who voted for me in spite of the threats of some of the other men there," he added.

Labor forces in Winnipeg will make a decided effort next year to improve their gains in the city council, according to F. J. Dixon, M.L.A., and labor organizer, this morning. Mr. Dixon said that the citizens' committee has temporarily defeated democracy.

Few changes resulted from yesterday's polling in the suburban municipalities. The majority of the reeves, councillors and school trustees, however, returned by acclamation or by large majorities over labor opponents.

CABINET TO DECIDE SOLDIER PROGRAM

Disposition of Forty Million
Dollars Recently Voted to
Be Determined.

Ottawa, Nov. 29.—The disposition of the \$40,000,000 voted at the last session of parliament for soldiers' aid is now being considered by the cabinet, and an official statement with regard to it is expected before the end of next week. Hon. J. A. Calder, minister of immigration, who acted as chairman of the parliamentary committee on soldiers' civil re-establishment during the past session, stated this morning that the matter is under discussion by the cabinet, no definite conclusions had been arrived at. It is understood that the recommendations made in the report of the parliamentary committee are being taken up separately, and that the one providing for the payment of transportation to soldiers' dependents who returned from England to Canada prior to the armistice has been passed. The recommendation with regard to the payment of gratuity to men who served in the imperial army necessarily involves a great deal of investigation, which is being undertaken by the militia department.

Mr. Calder explained that, when the parliamentary committee, of which he was chairman, made its report last session, he ceased to have any special jurisdiction in the matter. It became a question to be dealt with by the government as a whole, and more particularly by those departments which would have the future of the soldier in their hands. These would be the militia department, the department of soldiers' civil re-establishment and the pension bureau. What plan of organization the government will pursue and whether a special branch will be engaged to administer the disposition of the \$40,000,000 vote is not yet known. This information will probably be forthcoming by the end of next week.

Her crew left the boat Thursday.

YORK COUNTY AND SUBURBAN NEWS

REV. BRYCE PREACHES

Asks for Co-operation of People in
Inter-Church Forward Movement.

Speaking at the Earlescourt Central Methodist Church on Sunday morning, Rev. Peter Bryce referred to the national campaign of the forward church movement in which he is taking an active part. Mr. Bryce asked for the co-operation of the people for this inter-church movement, in which, he said, all the churches were working towards one end. The problems arising out of the war in the matter of reconstruction left a big work for the churches to do. Presbyterians, Baptists, Anglicans, Catholics and Methodists were all co-operating to better conditions, each being responsible for their own work but working collectively.

The suburbs have not been properly cared for, only about one-tenth of the population in the outlying districts having been reached, he said. Mr. Bryce's ministry in Earlescourt will terminate next June, he having tendered his resignation to the Methodist board. He has been pastor of the Central Methodist Church for nearly 15 years and the growth of Methodism in this district has been phenomenal. To Mr. Bryce, who began his religious work in the small frame building on Ascut avenue, now used as a temporary building for the public free library, a great deal of interest attaches locally and otherwise to the approaching banquet of the United Farmers of the United Farmers in which village on Tuesday evening and for which nearly 600 tickets have been already sold.

R. R. Silver, president of the association, has within the last two or three days received assurances from Hon. Mr. Drury that he will be present, and others high in the councils of the new body will be there. The committee in charge have made ample accommodations for all those attending up to 8 o'clock (the hour scheduled for the banquet) in the basement of the Methodist Church on Main street, a short distance away from the scene of the banquet.

"CHRIST AND THE CAPITALIST."

"Christ and the Capitalist" was Rev. E. B. Lancelotti, while he was in the Own Brotherhood on Sunday afternoon at the Central Methodist Church. Mr. Lancelotti has just returned from his tour of inspection of the international Brotherhoods, where twenty nations were represented, including Armenia, Turkey, France, Belgium, South Africa, Portugal and Equatorial Africa. Speaking of wealth in its relation to labor, Mr. Lancelotti said that money was never intended to be put into the hands of the few, but that it was intended to be distributed. He condemned the evil of covetousness and said there was a little of the devil in most of us, as well as the anxiety, the danger being in our hands to slay the saint instead of the devil. Nathan James was the soloist and Rev. E. C. Hunter presided.

PROCLAMATIONS WITHOUT ACTION

Dublin Castle Policy Has So
Far Not Prevented Dis-
orders in Ireland.

London, Nov. 29.—Sir Horace Plunkett, who was chairman of the Dublin convention, and who has generally kept aloof from Irish politics, during his long career of public service, has issued a warning that the announcement that hunger strikers will not be released from the jails in Ireland hereafter, if it is intended to break the spirit of the Sinn Féin, will have the opposite effect.

Advices from Dublin say that conditions in Ireland are most disquieting. Lawlessness has not been discouraged by the recent proclamations and crimes of violence are increasing in number.

The English papers call attention to the numerous murders, specifically the assassination of another Dublin policeman on Saturday night, in which the government is apparently carrying on at the same time two policies toward Ireland—one the policy of repression, as expressed by a cabinet committee; the other a policy of repression, as expressed by a cabinet committee; the other a policy of repression, as expressed by a cabinet committee.

The two policies are supposed to represent the two parties in the coalition government—Premier Lloyd George's liberal wing, and the Unionist faction, of which Andrew Bonar Law for long time has been an outspoken leader.

"Proclamation without action," is the description of the policy of Lord French's rule. His latest manifesto proclaimed the Sinn Féin and kindred societies throughout Ireland as illegal bodies. The Sinn Féin had already been proclaimed such in Dublin and other parts before the recent meeting of the Sinn Féin congress. Yet the Sinn Féin held their congress, even advertised it, and boasted of it, and nothing happened in the way of measures against them.

MURDERER KILLS TWO JAIL GUARDS

tacks Four Keepers—Two
Others Injured.

Special to The Toronto World.
Hamilton, Ont., Nov. 29.—Arthur A. Awty, head turnkey of the city jail, died at 8:05 o'clock last night, the wounds he had received at the hands of a convict, who had broken out of the jail yesterday, a double one.

Used an Apple Knife.
To the police, Kowalski said the knife he used was loaned to him by Constable Springstead, with which to break an apple given to him at breakfast.

Arthur Awty, the dead turnkey, had been a valued member of the jail staff for nearly thirty years. He was a widower, his wife and only child having pre-deceased him some years ago. The opinion was expressed yesterday by S. F. Washington, K.C., crown prosecutor, that Paul Kowalski, who is under sentence to be hanged on Dec. 19 for the murder on Feb. 17 last of Nick Trevischi, was a very dangerous man.

A. C. Springstead was 55 years of age, and had served a long term of 35 years. He is survived by his widow, four sons and one daughter.

GERMANY'S EXCUSE FOR SINKING SHIPS

Says Internment at Scapa Flow
Was a Breach of Armistice
Terms.

Berlin, Nov. 29.—The government has sent to the peace conference at Paris a supplemental memorandum with regard to the sinking of their crews of the German warships interned in Scapa Flow, and the consequent demand for indemnification for the loss of the vessels.

The memorandum asserts that the internment of the fleet in Scapa Flow did not constitute the final disposition of the warships, the sinking of which must not be charged to Germany, but to the allies, who interned the fleet in a British port and not a neutral port, which was contrary to the stipulations of the armistice.

Plays, Pictures and Music

Sothern and Marlowe Arrive in To-
ronto.

"We had no idea when we decided to return to the stage that the public would so completely forgive us for having said farewell and welcome us back as they have," said E. H. Sothern on his arrival in Toronto last night. Mr. Sothern and Miss Marlowe, who, as everybody knows, is Mrs. Sothern's private life, began a week's engagement at the Royal Alexandra Theatre tonight, appearing in "Twelfth Night," with "Hamlet" tomorrow night and "The Taming of the Shrew" to follow on Wednesday night.

"When people retire, of course, they should stay retired, but Mrs. Sothern and I feel that we should like to be playing again, so here we are. I suppose, like many other people, the war upset our plans and our composure. We went to England with the firm intention of settling down there for the rest of our lives. But with the new unrest, we could not be content to sit idle. It was a matter of time before we were endeavoring to do something towards entertaining the soldiers over in Canada, and we decided to go with our desire to be acting again."

"We are so grateful to the players for their kind reception to us. The great success of the season is to play our Canadian cities, but we feel we must come to Toronto. Next year we hope to return and make a tour thru Canada, for we really feel that nowhere is classical drama more appreciated, understood or encouraged than it is in Canada."

"Pleasure," with some of the original London, England, company, will be on view at the Royal Alexandra Theatre next week.

Just before a year in England, comes here in the role of Abe Potash, which he has played for six years, having been in the three plays, "The Taming of the Shrew," "Twelfth Night" and "Hamlet." Harry First will be Mawruss Perlmutter and Miss Mara Keval is the vampire.

Frances Starr in "The Tiger." The most noteworthy engagement of the season in Toronto opens at the New Princess tonight in the appearance of the noted Belasco artist, Frances Starr, in her latest and most distinguished success, "The Tiger."

No wonder the new Alhambra is proving tremendously popular with the movie fans of Toronto. The appointments of the theatre would be an attraction alone, but coupled with this is the excellence of its picture presentations and its music. Beginning today Dorothy Dalton is seen in "The Market of Souls," while commencing Thursday, Douglas Fairbanks will appear in "One of the Boys."

"Going Up," at Princess. The week commencing next Monday, Dec. 8, will be the "sky-scraping success," "Going Up," which has been the most successful musical comedy production. It has been a huge hit ever since the opening night in New York, making a record equalled by few stage productions of any kind in recent years, owing to its excellent musical comedy songs and dances, the well-balanced character of

"The Loves of Letty," adapted from the stage success of Sir Arthur Wing Pinero, the celebrated English dramatist, is Pauline Frederick's latest starring vehicle.

This dramatic story involves the problems which come to every attractive woman during her lifetime. There is the test of her vanity, the test of her honor when temptation comes to her in her darkest hour, and the gradual character development thru bitter experience which many women are called upon to endure. As with the character of Letty, the woman who successfully survives bitter disappointment and rises above it eventually wins real wisdom, peace and happiness. The scenes in the story fluctuate between locations in London's financial district, beautiful English homes and a cheap boarding house.

Players of exceptional ability support Pauline Frederick in her latest picture. They are Harold Tucker, Lawson Butt, John Bowers, Willard Louis, Florence Deshon, Leota Lorraine, Lella Bliss and Joan Standing. On the same bill Charlie Chaplin in "The Immigrant," one of his master comedies revived; and Raymond Overture, "The Queen's Secret," played by the incomparable Allen Orchestra, completes an excellent bill.

"The Thunderbolt" at Regent.
Today, commencing at 11:15, the Regent Theatre presents a most entertaining and worthy program, worthy of the most discriminating patron. The feature production is the picture "The Thunderbolt," presented by Katherine MacDonald, an American beauty. Having his beautiful last command, he had seen her marry her to make sure she would be taken care of by her family—this unnatural law, and under what circumstances, makes a most thrilling motion picture.

The Ideal Bathtub for Baby

EDDY'S Indurated Fibreware Washbub is just the thing for baby's bath. Besides being light, easy to handle and unbreakable, it has a surface which cannot cause injury—no cracks, no joints, no nails or rivets. It is moulded in one piece and unlike wood, it cannot splinter or come apart. It is much superior to metal because it cannot dent or rust. Metal tubs quickly absorb heat and are liable to scald baby's skin, even after cold water is added. In a like manner, metal if cold will strike chill to the skin, and also cause the water to cool quickly. Eddy's Indurated Fibreware does not radiate heat or cold and is quite safe. For the same reason it keeps the water warm longer.
