They do the work that his stomach is unable to do and by relieving that organ of its burdens, permit it to regain its health and strength and again become active and useful in its functions. They contain all the essential ingredients that enter all the essential ingredients that enter of the stomach and they actually take up the work and do it just as a healthy, sound stomach would.

By this means a man can go right shead with his work and eat enough to keep him in proper working condition. His system is not deprived of its pecessary nourishment as it is in the case of the "starvation cure" or the employment of some of the first-class chicken foods now on the market. Starvation, even if it were a good thing, could not be continued long enough to effect a cure; for a disordered and worm worn-out stomach is not going to become strong and healthy in two or three days.

Stuart's Dyspepsia Tablets act naturally because they contain natural disgestives. The principal component parts are aseptic pepsin, malt disatase and other ingredients with like properties that do the work regardless of the condition of the stomach. There is no unnatural or violent disturbance of the digective organs as the result of their action. In fact, the existence of

The City Solicitor has been informed by the authorities at Ottawa that the draft order of the Railway Committee of the Privy Council, directing the construction of the Yonge-street bridge, will be forwarded at once.

Indictment Will Be Quashed.

The representatives of the City and the Metropolitan Railway Company held a conference with Judge Winchester in his chambers yesterday in regard to the indictment against the road-for maintaining a nulsance at its terminus on Yonge-street. Mr. Wright, solicitor for the company, stated that the agreement providing for the removal of the terminals would be signed before Saturday, and proceedings were held over until that date, when, if the matter is satisfactorily arranged, the indictment will be quashed.

The following permits have been issued: John Kilgour, two-storey rough cast, detached dwelling, north side Northumberiand-street, near Dovercourt-road, \$760. J. allotted to the Shareholders on 2nd February last, \$500,000 of New Stock at a premium of 90 per cent.

Branches of the Bank have been opened during the year at Buckingham, Fort Coulonge, and Maniwaki, in the Province of Quebec; Carp, Ont., and Regina, Assinabola; and an office is opened twice a week at Jasper, Ontario, as a sub-agency to the Smith's Falls Branch.

To meet the need of more suitable premises for the Montreal Branch, a desirable site has been secured on St. James-street in that city, and a building is now being erected thereon.

The offices of the Bank have all been inspected during the year.

The Directors have pleasure in testifying to the zeal and efficiency with which the officers of the Bank have performed their respective duties.

All of which is respectfully submitted.

nounces the death there to-day of Baron Arthur De Rothschild. Baron Arthur De Rothschild lived in Paris, and at Cornay-La-Ville, Department of Seine-et-Oise, France. REV. MR. CRUMMY CALLED.

The Sun from London says: The son of Balfe, the composer, has made an appeal for assistance. He hopes to secure money enough to buy a barrel organ on which he can play his father's compositions in the streets.

A Question Often Asked by Those Afflicted With Piles.

Is a strained joint curable? Is local inflammation curable? Of course, it properly treated. So is piles.

People often become afflicted with piles and ask some old "chronic" who has always persisted in the wrong treatment, and naturally he discourages them by telling them that their case is hopeless.

They in turn discourage others, and thus a disease that can in every case be cured by careful and skiful handling is allowed to sap the energy of thousands who might free themselves of the trouble in a few days.

Pyramid Pile Cure will cure the most aggravated case of hemorrholds in an
