Berlin, Nov. 28.—By the Associated Press.—The aims of the German democratic party, the appeal of which for comprehension and support has been sent to President Wilson, were outlined to the correspondent today by Theodore Wolff, editor-in-chief of the Berlin Tageblatt. It was on Herr Wolff's initiative that the party was formed. He is aid:

"Our party has been formed to support the republic, to further democratic reforms on a Socialistic, economic basis and to furnish a rallying point for the middle classes and keep them from falling into the power of the reactionaries. The party will, naturally, oppose Bolshevism with all means at its command. In other words we aim to win and hold the middle classes for Herr Wolff explained that in keeping with the party's sine all forms words.

win and hold the middle classes for democracy."

Herr Wolff explained that in keeping with the party's aims, all former members of the progressive or other parties and nationalistic agitations, or who, like Dr. Gustav Stresemann, National Liberal member of the Reichstag, have actively advocated the submarine campaign, have been flatly informed that while they cannot be excluded from the party if they uesire to join, they will nevertheless, be rigorously excluded from any participation in its leadership.

Membership Is Large.

"The party's membership is already significant of the National Bank of Berlin, and others, it National Bank of Berlin, and othership.

London, Nov. 30—(Canadian Press Dispatch from Reuter's, Limited).—The Times, commenting on Canada's munitions achievements, says it believes that the record of the munitions board will surprise most people. This country is unquestionably a striking illustration of the limmense and growing resources of the Empire, and a signal proof of the great efficiency and ability of Sir Joseph Flavelle and his colleagues as well as that of Canadian manufacturers and workers. This great imperial enterprise has been of enormous importance in the terrible struggle through which we have come. The actual and potential strength and resources of the Empire are but dimity recognized as yet by citizens. The work of the imperial munitions board is a proof what can be achieved by unity and harmonious cooperation of Great Britain and the do-
