MRS. JOSEPH MATCHETT, Huntsville, Ont., 'writes; "It gives me much pleasure to write you of the wonderful benefit I have found in your medicine. Last summer it saved the lives of my three little ones. They all took the summer complaint and were very sick with it. The baby would take fits, and after trying many remedics, which were of no use, I suggested we should try Dr. Fowler's Extract of Wild Strawberry. After giving them one bottle I found a great change, and now my little ones are as well as ever. We have never been without it since, and I have recommended it to my friends."

MRS. S. A. HARRISON, Napanee, Ont., writes: "I take great pleasure to send you this testimonial of what Dr. Fowler's Extract of Wild Strawberry has done in our family. My daughter's little girl, three years old, took summer complaint and was nearly dead. After all other remedies failed I thought of your remedy. The first dose gave relief and the third cured her. My son had diarthoes and a few dose stopped it right away. I advise all mothers to have a bottle of 'Dr. Fowler's 'on hand all the time. It is a grand medicine for young and old, and I cannot recommend it to or highly in all trouble where the bewels become too loose. A few doses will check the trouble at once."
