PLAYS, PICTURES AND MUSIC

"ROLLING STONES" TONIGHT.
Weaving a web of romance about the commonplace of a great city, the whole of it done in the humorous and satirical manner for which the Selwyn plays are famous, "Rolling Stones," the newest play from the hand of Edgar Selwyn, will be presented at the Alexandra Theatre this week by Edward H. Robins and his company of players. "Rolling Stones" is one big laugh after another, in which are entwined the semi-serious and the semi-tragic side of life among that class of persons who, when food is not forthcoming, grow despondent and seek to cast off the mortal coil in such a river as the Chicago, only to be halted on the brink by some amusing incident, which leads up to love, courtship and marriage in a manner that cannot but prove pleasing to patrons of the theatre. The regular matinees will be given on Wednesday and Saturday.

STAR THEATRE CLOSED.
Saturday night the summer stock burlesque season was wound up at the Star Theatre. During the time that the stock productions were put on capacity audiences were the order at every performance. Manager Dan Pierce will leave for New York shortly to visit the booking offices to make arrangements for the best shows obtainable for this popular house next season. The season which will be inaugurated the first week of August will be sent off to a good start as the Star's own show, the "Pillies of Pleasure," will be the opening attraction.

HIPPODROME.
The Hippodrome offers this week as the headline attraction "Bobby Heath's Song Revue of 1916," a musical organization that provides tuneful melodies, clever comedy and smart up-to-date dances. The feature film will be "The Grey and William Desmond in the Latest Triangle release, 'The Waifs.' The picture deals with the life of an unfortunate wanderer among the lower classes and his fight to redeem himself. Martini and Maximilian are the premier burlesque artists of vaudeville. Connelly and Dunbar are eccentric singing and dancing comedians, while Sutton, McIntyre and Sutton have an amusing little comedy sketch entitled, "The Pumpkin Girl." Major Doyle, a Lilliputian, is a comedian with a rare sense of humor. Gertrude Long features songs and impersonations and comedy films complete a well-balanced bill.

MADISON THIS WEEK.
Hazel Dawn plays the part of a wild mountain girl, full of hates and love, in her latest release, "The Feud Girl," at the Madison, Bloor and Bathurst, today, tomorrow and Wednesday. She has a peculiar fascination all her

of unusual sillage, furnishes most of the comedy, which is fast and furious from the rise to the fall of the curtain. Vera DeBasini, called "The Italian Nightingale," formerly of the Milan Opera Company, will offer a combination of classic and operatic airs and popular melodies. Another treat for music lovers will be offered by Eschel Roberts, who has a style and manner all his own. A clever pair of funmakers are Herbert and Dennis, the "Two Jolly Good Fellows." Every Woman's Problem will appeal to all married patrons. The Leo Sisters, in aerial feats, and Frear, Baggett and Frear, in what they call "Baseball Idiosyncrasies" and the over mysterious photo serial, the "Iron Claw," complete the bill.

AT THE STRAND.
Today, tomorrow and Wednesday the superb V.L.S.E. production, "For a Woman's Fair Name" will headline the bill at the Strand Theatre. This photo-drama has a tense and thrilling plot of deep human interest. The hero is played by Robert Edeson, who even more than his accustomed power, sacrifices his career and his love, and submits to a wrongful charge of murder in order to save a woman from the malice of scandal-mongers. The photo-drama is magnificently staged and the photography superb. The bill will also include in addition to a capital comedy the "Strand Topical Review" of local and current events. This review is making a tremendous hit in Toronto, and this week's installment is about the best yet.

BANDA ROMA AT BEACH.
The Banda Roma, which opened an engagement at Scarborough Beach Park on Sunday afternoon, is said to be one of the finest organizations of the kind that ever appeared in this city. It is composed exclusively of trained Italian musicians, 25 in number, and is under the baton of a conductor who has received royal recognition in Italy. For the past few years it has been playing in the leading American parks and invariably has made a great popular success. This is due not only to the technique of the musicians but to the taste which selects

the program, the magnetism of the leader and the enthusiasm of the band.

CLOSING EXERCISES OF BETHUNE COLLEGE

"Midsummer Night's Eve," next to the longest day of the year, combined to give Bishop Bethune College one of the finest days of any June for its closing day of "commencement" as our neighbors say.

The day began with a choral celebration in the college chapel. The program commenced at four o'clock, after which the prizes were distributed by the Right Rev. the Lord Bishop of Toronto. Tea was served on the lawn.

As the pupils gave their Saturday afternoons, and three half hours during the week to Red Cross work, having been formed into the Edith Cavell Chapter by Mrs. W. Cowan, besides giving over a hundred dollars by their work from their own efforts, and as the generous friends of the school sent their annual contributions, it was thought well that the pupils should receive their usual prizes. Among those who generously contributed were: W. F. Cowan, Esq., the Rev. C. J. S. Bethune, M.A., D.C.L., the Rev. C. de Pencier, W. Eaton, Esq., Rev. J. B. Lindsey, Mrs. McLean Howard, E. GOVERNMENT FURTHERING AGRICULTURAL EDUCATION

The Policy of the Federal Authorities is Bearing Good Fruit.

That the policy of the federal government in providing a subsidy of ten million dollars, spread over a period of ten years, toward furthering agricultural education in the different provinces, is bearing good fruit is abundantly proven by the second annual report of the commissioner of agriculture. It shows that while much remains to be done before a great deal has been achieved. Teachers have had to be trained and for this purpose, and short courses have been held in connection with all the agricultural colleges. Funds for this purpose came out of grants made by the Dominion under the act. New buildings have been erected, old buildings enlarged, schools better equipped, higher salaries and more experienced instructors engaged, teachers specially trained, college extension work greatly extended, boys and girls' competitions encouraged, the district representative system widened and developed, demonstration methods increased in number and improved in scope and character, and women's work at home and abroad aided institutionally and otherwise.

MAYOR WAUGH'S DENIAL

WINNIPEG, Man., June 24.—Mayor Waugh, president of the Winnipeg Returned Soldiers' Association, has issued the following statement: "My attention has been drawn to a despatch from Toronto which might be construed to mean that J. Hilliard Leach, K.C. of Winnipeg, had authority to represent the Returned Soldiers' Association of Winnipeg in the arbitration scheme. The project has not been submitted to or considered by the Returned Soldiers' Association of Winnipeg, consequently Mr. Leach has no authority to speak for them if he has done so."
