"When they can't find a man in Canada fit for some of their pulpits there is something wrong," hotly de-clared Rev. W. E. Wilson, of East King Street Church. "If you want pulpit orators, go overseas for them, but if you want men to shepherd you flocks, give us a chance. For God's sake don't ask me to spend my life in the ministry and then tell me I'm not fit for my job. There are big churches that take young men and lay down a policy for them. I won't bow down to any golden calf which any church may set up."

Over Three Hundred Former Pupils Have Gone to the Trenches.

Once more, ideal summer weather greeted the friends and proud parents of the Model School pupils who assembled to witness the time-honored ceremony of presenting diplomas to the proud boys and girls fortunate enough to be listed for promotion. As is the custom at the Model closings, the pupils and visitors assembled in the hall of the Normal Building, and at 2 o'clock the chairman, Wm. Scott, B.A. delivered a brief address in which delivered a brief address in which he referred to the efficiency of the work undertaken during the past year, and more especially to the great part the pupils at the school, and those who have gone from its doors, are playing in helping to keep Canada ahead in the great war. This is accordance with the finding of general assembly which asked that no attempt be made at the present time to set forth in detail the action appropriate to a future period, and also that the work of the union committee for this period be confined to the superintendence of such practical forms of co-operation as have already been authorized, and that the person-nel of the committee be modified in order to secure the fullest approval of such co-operative requirement or Such Co-operative requirements.

Dr. Robertson stated that the Preryterian Association will still remain
in existence, altho the official organ,
"The Message," will be discontinued.
Regarding the future action of the association, this is uncertain until after the meeting of the executive which meets next week.

Husband Declares Has Never Before Seen Such an Improvement.

Hundreds of Detroit people, both men and women, are now taking Tanlac with the most astonishing and gratifying restore, 219 Woodward avenue, a few days sults, and numbers have called at the Cunningham drug stores in the past few days to obtain the medicine and to tell what it has done for them. Among the number was Carl Siebert, a well-known employe of the Hayes Manufacturing Company, residing at 405 Mitchell avenue, who was profoundly grateful for the wonderful improvement in his wife's

"Well," said Mr. Siebert, "I have just come in for another bottle of Tanlac, and I want to tell you just what Mrs. Siebert and I think of your wonderful medicine. She has just finished her first bottle, and I have never seen such rapid improvement in anybody. She has aiready gained five pounds in weight, and is looking like a new woman, and just can't say enough in praise of Tanlac.

"She had suffered from stomach trouble for three years, and her whole system seemed to he getting run-down and out of order. She had absolutely no appetite, and everything she would eat remained in her stomach undigested, and formed I was just completely rundown in every way, and so dreadfully nervous that I could hardly sleep at all.

"But I'm feeling like a new person now, and it's hard to believe a medicine could do so much in so short a time as Tanlac has for me. The way it has built me up shows that it's just what I needed, and this one bottle has done me more good than everything else I ever took put together. My nervousness has left me, and I sleep every night. My appetite is so big I can hardly eat enough to satisfy me, and the fact that I am gaining so rapidly in weight shows how well my food agrees with me. I have found great relief from the rheumatism also, and, judging from the way 3 am improving now, it will only be a short time until I will be as well and strong as before my troubles began. I feel more grateful than I can express for the benefits I have derived from Tanlac, and I am truly glad of the opportunity to tell the suffering people of Detroit what a great medicine I find it to be."
