DUNDAS COUNTY PROUD TO HONOR MR. WHITE

Whole Country and Many Friends Prominent in Public Life Attend His Home Demonstration.

Morrisburg, Feb. 2.—(Special)—The old town of Morrisburg was on feet today. The occasion was the great demonstration accorded by the people of Dundas and the adjoining counties to the premier-elect of Ontario, J. P. Whitney. The ovation here received was in every sense a flattering tribute to the man, who born in this county, reared, educated and spending the greater part of his life here has now attained the highest honor which the province can bestow on a citizen.

An immense crowd of people came to town early in the day from all points within a radius of thirty miles. The capacity of the hotels and the private residences was taxed to the utmost to accommodate the throngs. Special trains were run all along the line, and at 1.30 this afternoon the streets assumed a holiday appearance. They were lined from the depot to the music hall, nearly a mile in length. The procession composed of electors from the various municipalities in the county, each carrying Mr. Whitney at the head. Four bands were in the parade, as well as the prominent public men of this and adjoining counties.

Arriving at the music hall the procession could barely move because of the crowds that blocked the way. Mr. Whitney, who was seated in the front of the procession, was given a remarkable ovation by the large hall was jammed full of cheering, enthusiastic people who showed their admiration by the cheering and waving of the flag. Mr. Whitney, the president of the County Conservative Association, took charge of the meeting and called for speeches from the following gentlemen, all of whom spoke briefly and to the point:

Andrew Broder, M.P., for Dundas; R. E. MacLellan, M.P., for Cornwall; R. A. Pringle, M.P., for Stormont; Geo. Kerr, M.L.A., elect for Stormont; J. L. Grove, warden of the united county of Sweet of Winchester; D. A. MacArthur of Alexandria; G. H. Ferguson, M.L.A., elect for Grenville; Dr. Hickey, ex-M.P., of Morrisburg, and Mr. Whitney himself.

Mr. Whitney reiterated what he had said on election night, that the recent expression at the polls WAS NOT A PARTY TRIUMPH, he acknowledged the magnitude of the victory and modestly and modestly disclaimed any personal credit for the success of the party. The audience, mostly men, was very enthusiastic, and Mr. Whitney and the other speakers respected attention.

This was spent the first part of the celebration. Again in the evening. Another enthusiastic meeting was held in the evening. By 7.30 the hall was packed, and before 8 o'clock standing room was at a premium. The hall was decorated with flags, bunting and streamers, and "Dundas dundans" were everywhere. Seated on the stage besides the speakers of the evening were Mr. Whitney and Messrs. J. P. Thomson, Miss Whitney and Mrs. I. Hilliard. Mr. Casselman again occupied the chair.

The Chertsefield Band opened the program, and music was also furnished by the Brimston's Corners Band and the following vocalists: Miss Sophie Bower, Miss Hickey, H. Ross and Dr. Darcy. The chairman read letters of regret from F. D. Ross, Dennis Murphy and J. D. Broder. M.P., began the speaking-making with one of his characteristic deliveries that took the audience immensely. He was followed by Mr. Donovan, the defeated Conservative candidate in Brockville, who made a favorable impression, and then G. H. Ferguson, member-elect for Grenville, gave a rattling speech, and Albert Whitney of Prescott, brother of the premier-elect, expressed the honor he felt on this occasion in being permitted to take part. He hoped that the new premier would hold sacred the trust the people of the province had so unanimously placed in him.

Houghton Lennox, M.P., for East Simcoe, spoke briefly, as did Mr. Leitch of Cornwall, who referred among other things to the fact that his old friend Whitney was years ago called "the bar" together.

A Yeoman and a Friend. Dr. Chamberlain, late inspector of prisons and asylums, and an old political opponent of Mr. Whitney, made a happy and eloquent speech, recalling with pride the fact that the first premier of Ontario, John Sandfield Macdonald, had served from both sides of the political wheel as well as the sixth premier, Mr. Whitney. As a citizen of Morrisburg he was proud that his old friend had attained such a high position. He hoped that when in a few hours Mr. Whitney would be called on to form government and would come to his county for re-election that Dundas would return him by acclamation.

DRAWBACKS TO BE ALLOWED TO UNITED STATES MILLERS

Attorney General of the U.S. Holds That Evidence of Books of Account May Be Used.

Washington, Feb. 2.—The United States Attorney General has rendered an opinion in which he holds that drawbacks may be allowed on exported flour made in part from imported wheat. He also holds that evidence of books of account may be used to establish the right of manufacture to a drawback.

The question was raised by Secretary Shaw as to whether drawbacks may be allowed on exported flour made in part from imported wheat. It has been before the Treasury Department for several months and has excited much interest, especially in the milling sections of the country, where considerable quantities of Canadian hard wheat are imported for the purpose of mixing with domestic wheat, thus it is said, materially increasing the quality of the flour produced.

The Attorney General holds in effect that drawbacks may be allowed on flour produced in part from imported wheat, provided the Canadian officials can ascertain to their satisfaction by the books of account or otherwise the quantity or measure of the foreign material actually present in the completed article.

The Attorney General says he does not wish to be understood as expressing the opinion that the evidence of books of account of the manufacturers is alone sufficient without aid of other evidence, to establish the rights of manufacturer to the drawback. He says he expresses no opinion on that subject, as the nature of evidence disclosed by them is not before him. The amount and character of the evidence which has been received is within the administrative discretion of Secretary of the Treasury.

Frame Regulations. He adds—it is to be presumed that, having in view the dangers of mistakes or substitution of material, suitable regulations would be framed in the matters of clear proof of identity and quantity of measure of the imported material actually present in the completed article offered for export. Under the conditions which I have stated the manufacturer, in my opinion, is entitled to the drawback allowed by section 80, of the tariff act of July 24, 1897, and I so advise you.

The drawback may be allowed to within one per cent of the customs duty paid on the imported wheat, the present duty on which is 25 cents a bushel. The secretary said he would begin the preparation of regulations to carry this opinion into effect.

SIR WELLED: Dear me, one cannot be too thankful that one lives in a warm province like Quebec.

3 QUEBEC MINISTERS OUT

TURGEON, GOUIN AND WEIR

Incensed at Premier Parent Appointing Monet to Position in Cabinet Without Portfolio. Quebec, Feb. 2.—(Special)—There is considerable excitement in political circles here tonight over a rumour which is considered to be well founded, that three members of the Parent government have placed their resignations in the premier's hands, and the ministers named will not speak on the subject.

A cabinet council was held this afternoon, when Mr. Monet, member for Napierville, was appointed a minister without portfolio. Monet is a national and has hitherto shown considerable ability. He is a very able man and popular. Gouin and Weir belong to the Montreal district, and both are strong men and have several followers. It is hoped here that Banff can be named temporary capital. Dr. Brett is a large expanse of population and plebeian the capital must come to Calgary.

ST. THOMAS MERCHANT OUT

SECURING BAIL OF \$4000

J. B. Hill Arrested Yesterday on Two Charges Arising Out of His Recent Failure. St. Thomas, Feb. 2.—(Special)—The story of the failure of J. B. Hill has many pathetic features. It culminated in his arrest this morning on a charge of fraud. James R. Biette of Toronto laid the information and Police Magistrate Glenn issued the warrant. He got bail in \$4000 to-night.

Mr. Hill had the confidence of all the people in the city and borrowed money from hosts of friends, some of the shrewdest business men of the city loaning money on notes, others endorsing for Hill, and still others advancing money on mortgages. He held office in the First Methodist Church and was always willing to help the Y.M.C.A. and other worthy institutions.

His failure was the cause of general regret, and later on a good deal of bitterness developed by the way in which it is claimed he misled friends who he asked for financial aid. It is said his father and brother, who were in the store, and personal friends, have been practically ruined by going to his aid.

Another information, also laid by Mr. Biette, charges that J. B. Hill, lately trading under the name, style and name of J. B. Hill & Co. in the trade and business of a wholesale and retail merchant of dry goods, and who was indebted to an amount exceeding \$1000, and is unable to pay his creditors in full, has not for five or six months past been able to keep books of account as, according to the usual course of the trade of business, and are necessary to explain his transactions, contrary to the provisions of the statute in such cases made and provided.

Blackmail by Police. London, Feb. 2.—Wholesale blackmail by the police of Warsaw is alleged by the correspondent in that city of The Daily Mail, who asserts that respectable citizens are stopped in the streets at night and arrested unless they give the officers money. It is also charged that the police have brutally whipped prisoners and then liberated them on the payment of \$5 to the police sergeant. The correspondent adds that the conditions in the prison in Warsaw are scandalous, crowded, and unhygienic, and that the cells devoid of all sanitary appliances.

Fire Causes \$150,000 Damages. Gloucester, Mass., Feb. 2.—Fire in the business section tonight resulted in a damage estimated at \$150,000. The fire was thought to be the most serious in the city since the burning of the Metropolitan Ladies' Tailoring Company and the Phelps Photographing Company and the heaviest loss.
