The only line reaching the far-famed tourists' and sportsmen's paradise, so well known as the

..... MUSKOKA DISTRICT

The most largely patronized summer resort in the Dominion of Canada, and which holds out to the traveller scenes of the
gorgeous beauties of nature's unadorned rusticity and rock formations, together with all the comforts and conveniences that
can be enjoyed in more settled parts. Other hunting and fishing resorts located in Peterboro' County, comparatively speaking
new to the sportsman, are easily accessible by the

GRAND TRUNK RAILWAY SYSTEM

and all visitors are assured of an abundance of game and good fishing.
