

appreciation of the able service which for years he has so faithfully rendered in the musical part of our public worship.

Year by year we have to speak of some who are called away to the higher sanctuary. Among those who since the last report have joined the majority is Mr. H. F. Bronson, one of the oldest and most devoted friends of St. Andrew's Church. His face, with those of many others, will long be missed amongst us.

The Session record with pleasure the increased attendance at the Communion services, the average this year being higher than ever before. The number of names on the Communion Roll at present is 508, after deducting deaths and removals. During the year forty-five new names were added.

While the total amount contributed to the schemes of the Church remains about the same as last year, owing to the falling off in a few large sums, the Session record with pleasure the fact that a larger number have contributed than in any previous year. The allocations are as follows :

Interest on Church Loan.....	\$ 1,500 00
Home Missions.....	\$ 850 00
To Lumbermen.....	50 00
	<hr/>
Augmentation of Stipends.....	900 00
Foreign Missions.....	600 00
French Evangelization.....	200 00
College Fund.....	120 00
Ministers', Widows' and Orphans' Fund.....	50 00
Aged and Infirm Ministers' Fund.....	90 00
	<hr/>
Total.....	40 00
	<hr/>
	\$ 3,500 00

The Session feel that the review of the year gives them abundant reason to thank God and take courage ; and in entering upon another they would ask the congregation to unite with them in earnest prayer for still greater zeal in christian service, and the still more manifest presence and power of the Holy Ghost.
