

COLCHESTER—S. J. Cunnings, Pastor.—A small class has been formed in Essex Centre. We now need a Church in which to worship God. A week evening appointment at McGregor's is attended by an attentive Congregation. Sabbath Schools are prosperous. We have a large field. May God baptize us for the work.

WHEATLEY RIVER—G. Smith, Pastor.—A few are seeking the Lord. Two or three have found peace through believing in Jesus. The members are quickened, and the Class Meetings, which have been re-established, are seasons of refreshing. Our convalescence is slow, but sure.

STURGEON AND MONTAGUE—W. Bryenton, Pastor.—Sabbath preaching services, on the whole, are pretty well attended. Sabbath School well attended, and Teachers take great interest in their work. This is a hopeful sign of better days to come. Our great want is a gracious outpouring of the Holy Spirit. In finances, we report a small deficiency.

WEST CAPE—J. Ferry, Pastor.—When commencing the labors of the year, we sought the co-operation of the friends at the Elders' Meetings, to promote God's glory and the salvation of souls. During fifteen weeks we were engaged in Special Services. Believers were quickened, and sinners saved. Attendance at Class and Prayer Meetings has much improved. Peace and harmony prevail throughout the Circuit. Our Sabbath Schools are not as prosperous as desirable. We hope to see them improve next year. Finances are much improved—for Ministerial support, and Church purposes, about \$1000 having been raised. Two Churches are in course of erection: one at Nottstord, and the other at Miminigash; about \$250 is subscribed towards each.

SUMMERSIDE—J. H. Collins, Pastor.—The Lord has been better to us than all our fears, and His presence has made our heaviest burdens comparatively light. Congregations have increased. Prayer and Class Meetings well attended, and seasons of refreshing. We live in peace and rejoice in salvation work around, as well as within us. The Sabbath School has been signally blessed, and several of the children converted to God. Finances are largely in advance of last year.

LITTLE PRAIRIE—W. M. Willison, Pastor.—We are not able to report any extensive revival, or special cases of conversion, at any of our appointments. Notwithstanding, the Lord has been graciously with us at many of our services, and assisted us in preaching His word. Love Feasts and Quarterly Meetings, especially, have been seasons of refreshing from the presence of the Lord. Congregations good; improved finances; Sabbath School is in good working condition.
