We offer Ottawa Light Heat and Power 63% % Cumulative Preferred Shares

THIS Company has a conservative yet very successful record from a Public Service as well as from a financial standpoint. Its operat-ing departments have sold gas for 69 years and electricity for 36 years. It has about 30,000 customers in Ottawa and Hull, a community of 150,000 people.

The value of its properties greatly ex-ceed the value of all its securities. It has paid substantial dividends on its Common Shares for 16 years without interruption. Earnings available for dividends in 1922 were nearly four times the preferred dividend require-

As an investment, these Preferred Shares meet every test that experience and critical judgment could suggest.

We invite orders from one share or more at \$100. per share to Yield 61/2%

Write for complete descriptive circular.
