## HYDRO IN ST. JOHN NEW PORT AGENT OF C.G.M.M. HERE

Toronto Globe's Comment on the Campaign and Result of Monday's Election.

(Toronto Globe).  
The Majority election held in St. John, N. B., was of more than usual importance. The issue was public control of electric power. Lack of cheap power has been one of the chief obstacles to the industrial development of the city, and the people have been endeavoring to get rid of the high rates now charged by the private corporation which has the monopoly of electric power lighting and street car service and gas service. Relief was promised by the policy of the Provincial Government, which undertook to develop the water powers of the province for the benefit of the people. A beginning was made at Musquash, about fourteen miles from St. John, and this part of the work is practically completed.

The question was the leading issue in the biennial election held last spring. The retiring Mayor, Mr. Schofield, declared for a policy of control by a private company for two years, the city to take control at the expiration of that time if the arrangement proved unsatisfactory. This policy was vigorously opposed, and the advocates of public control believed that they had obtained a victory by the defeat of Mr. Schofield and the election of Mr. McLellan by a very large majority. Mr. McLellan, on taking office, submitted a contract with the New Brunswick Power Company which, while apparently in accord with his avowed policy in some respects, did not satisfy the council. He then submitted a contract with the company which was denounced by the citizens' organization as an attempt to unload on the city the burdens of an over-capitalized concern. Eventually dissatisfaction with his course resulted in a demand for his recall. Hence the new election, in which Mr. McLellan is opposed by G. Fred Fisher, a former member of the Common Council.

Mr. Fisher's platform called for making a contract with the Provincial Government for the Musquash power at the guaranteed rate of 1.2 cents per kilowatt hour, to be reduced as conditions warranted; for an independent civic hydro-electric commission; to construct and operate a civic distribution system; and for an offer to purchase the property of the New Brunswick Power Company's property for \$2,077,525, the value made by the New Brunswick Supreme Court; this offer to remain open for ten days, and if it were not accepted the city to construct its own system. The St. John Telegraph, near the close of the election, said that the company's valuation had risen to seven million dollars.

Mayor McLellan was for civic distribution and purchase of the Power Company's plant at a figure to be fixed by arbitration. The fact that he was supported by the Power Company was a source of one of strength and of weakness, his opponents drawing the inference that his friendly relations with the company were in derogation of his devotion to the public interest. The election has resulted in a decisive victory for public ownership, Mayor McLellan having been recalled and Mr. Fisher having been elected to the position by a majority of 1,018.

Gordon K. McNab Comes from Montreal to Take Over Duties.

Gordon K. McNab, of Montreal, new port agent of the Canadian Government Merchant Marine, Limited, has arrived in St. John to take up his duties. He is a native of Montreal and a graduate of public and high school there. He commenced business life in the Valuation Department of the Grand Trunk Railway System in 1913 on the valuation of that company's American lines. In 1915 joined the freight traffic department of the Canadian Northern Railway in Montreal and was with it until 1916 when he went overseas with the Canadian Siege Artillery, and was on active service until the Armistice was signed. Returning to Montreal in May 1919, he joined the Canadian Government Merchant Marine, Limited, as clerk in the manager's office, was later appointed chief clerk to the manager and in that capacity has had much to do with all departments of the service. He was recently appointed port agent in St. John.

Mr. McNab this morning corroborated a statement made by Mr. Cunningham, of the C. G. M. M., when he visited St. John this summer, and the information given by the company to the local Board of Trade to the effect that they expected the business of this port to be exceptionally large this winter.

### NOVEMBER BRIDES

**Morgan-Smyth.**  
A wedding of interest in this city was solemnized a few days ago in the Cathedral of the Holy Cross, Boston, when the rector, Rev. William B. Finigan, united in marriage Miss Regina J. Smyth of this city and Gerard Morgan, formerly of St. John, but now of Boston. The bride looked charming in a tailored navy blue suit with soutured trimmings and hat to match, and carried a white prayer book. They were attended by Dr. and Mrs. Gerard Harrington, both formerly of this city. Following the ceremony, a dainty wedding breakfast was served at the home of the bride's sister, Mrs. J. L. Bowes, after which Mr. and Mrs. Morgan left on a honeymoon trip to New York, Washington and other U. S. cities. On their return they will reside in Boston. They were the recipients of a large number of magnificent presents. Mrs. Morgan was a popular employee in the military department of M. R. A. Ltd., for some years, and a host of friends will unite in wishing herself and her husband happiness and success.

**Marry-Miller.**  
A wedding of much interest took place this morning in St. Peter's Church, when, with musical mass, Rev. G. E. Coffin, C. S. S. R., united in marriage Miss Mabel Grace, daughter of Mr. and Mrs. James Miller, and Joseph Marry, both of this city. The bride, who was given away by her brother, looked beautiful in a navy blue tailored suit, large black picture hat and mole-skin fur. She carried a white prayer book and a bouquet of roses. The witnesses were Miss Vera MacEdden and Harry Dever. The popularity of both bride and groom was testified to by the numerous and beautiful presents received.

**Combley-Pincombe.**  
A wedding of much interest took place at the United Baptist Church, Brown's Flat, N. B., on Wednesday afternoon, when Herbert N. Combley of Fredericton was united in marriage to Kathleen M. Pincombe of Brown's Flat. The ceremony was performed by the bride's father, the Rev. C. G. Pincombe, assisted by the Rev. Robert Smart (Methodist), a friend of the family. The bride, who is the third daughter of Mr. and Mrs. Pincombe, is one of the popular young ladies there, having been active in many useful spheres of service to the community. The bride looked charming in a gown of white net over silk, with veil and orange blossoms, and carrying a shower bouquet of chrysanthemums. The bride was given away by her eldest brother, Arthur, her second brother, Jack, acting as best man, and her youngest sister, Dorothy, a flower girl, carrying a fancy basket of pink carnations.

The church had been handsomely decorated under the personal direction of J. F. Bullock of St. John, who also presided at the piano and played a choice selection while the congregation and guests assembled, and also during the ceremony.

Immediately after the ceremony a reception was held at the parsonage. The bride and groom received the guests under an arch of ferns and flowers, from the centre of which a silver bell was suspended. The parlor was decorated with ferns and potted plants. The dining room was in white and yellow, the streamers reaching from the ceiling to the corners of the table and the mirror stand, upon which the three-tiered wedding cake, surmounted by a cupid, stood.

Mrs. C. N. Gorham and J. W. McKell poured, while Mrs. Worden superintended in the kitchen. Five young ladies, six friends of the bride, handsomely gowned, served, being the Misses Emma Jamie, Lena Day, Gladys Shortt, Mary Williamson and Constance Field. Patsy Rankine was doorman.

The groom made useful presents to the bride, best man and flower girl. The bride has been the recipient of a large number of useful presents from a wide circle of friends in various parts of the province.

One notable feature was the fact that nine of the ten children of the family were present for the first time in eight years.

The happy couple left on a honeymoon trip for Quebec and points west, amid showers of confetti and rice, cheers and good wishes from all assembled for the occasion.
