## TRAVELS 1,500 MILES

Minneapolis Man Makes Trip to Ottawa on a "Scooter"

Ottawa, Aug. 15—Travelling over 1,500 miles and using twenty-four gallons of gasoline on the journey is the feat accomplished by Franklin James, who came from Minneapolis to Ottawa to visit his relatives. The machine on which the trip was undertaken is known as a "scooter." It is a two-wheeled motor resembling in appearance a girl's bicycle. The power of the machine is two and one-half horse power, and is capable of a speed of twenty-five miles and hour. The wheels are twenty inches by two inches and the weight of the vehicle inclusive of the spare gasoline, oil and equipment of the driver was 255 pounds.

pounds.

Leaving Minneapolis on Wednesday, July 26, and travelling through Wisconsin to Milwaukee and thence to Chicago, arriving at Chicago on July 29. Mr. James left Chicago on July 31 and continued through Michigan, entering Canada at Sarnia. Arriving at Toronto on Thursday of last week, he left the following day, reaching Ottawa last Saturday afternoon at two o'clock.

Over the tour Mr. James carried one gallon of gasoline and one quart of oil in reserve at all times. The travelling equipment was as light as possible, consisting only of necessary articles of toilet. The average consumption of gas on the journey was at the rate of sixty-five miles to an American gallon. The total quantity of oil consumed was 2½, gallons and only once did the tires give trouble.

A particularly long and steep hill outside the town of Wausua, Wisconsin, was the only incline which the machine would not make with its passenger. Mr. James was not displeased at this, for it was reported that no car has yet gone up this hill on high gear.

**Terribly Bad** 

Anyone suffering from bowel complaints such as diarrhoea, dysentry, colic, cholera morbus, cholera infantum, or any other looseness of the bowels, will find that Dr. Fowler's extract of Wild Strawberry will give quicker and more permanent relief than any other emedy on the market today.

Mrs. Roy Keith, Charlton, Ont., writes:—"I am writing to tell you what Dr. Fowler's Extract of Wild Strawberry did for me. Last summer my children had diarrhoea, terribly bad, and they would vomit and pass a great deal for blood. I tried every remedy we could think of, but finally bought a bottle of Dr. Fowler's Extract of Wild Strawberry, and about one-half of it stopped the diarrhoea altogether. I have told several others about it, and I would not be without it in the house, as I can truthfully say it saved the lives of my two children."

and Colleagues.

Attacking the wheat board legislation of the dominion government, Right Hon. Arthur Meighen, Conservative leader, declared it a "deformed, infamous monstrosity," in a speech at the Island Park yesterday. It was the delay the government wanted, he asserted, it was a flasco they wanted, and it was a flasco that the people had got.

Mr. Meighen spoke of the changed policies that had been promised by the Liberals and the Progressives and the legislation actually put through when the house was in session.

"You expected the New Jerusalem to be brought to Ottawa, the fine new day, the better life. What you have witnessed, however, has been the prostitution of svery change that you have been promised and nothing but a clumsy, weak, inefficient invitation of the policies in every regard of the men whom the present government reviled."

Raifways Question.

Discussing the railway situation, Mr. Meighen declared there were signs that
