SPECIAL OFFERING OF TRUNKS AT OAK HALL

Oak Hall is holding out a special offer for those who need a trunk or two moving day, those who will shortly be moving to their country home and to people generally who do not like traveling. They have on hand a lot of eighteen trunks at various prices that were slightly damaged in transit, having been held up on the road for many weeks during the heavy freight congestions. These trunks, although not seriously damaged, are not up to the standard of the usual Oak Hall stock and, rather than return them to the manufacturer, Oak Hall decided to offer them to their customers at substantial price reductions.

There are steamer trunks, box trunks and one wardrobe trunk, regular prices would range from \$10.25 to \$51.00 but in this instance they are quoted at from \$7.75 to \$45. A big saving and grand opportunity for any person intending to purchase a trunk either now or in the near future.

Mardelous New Ignition Current

for Farm Power, Tractors, and Starting Ignition on Fords

THE minute you connect a new Columbia Hot Shot Dry Battery to your gas engine, you will discover that she is giving you more power. Later you'll learn that you're saving gas.

A Longer-Lasting Better Battery for Tractors and Stationary Engines

Here's a single, solid dry battery of many cellpower—the sturdiest package of power ever built. No loose connections, no short circuits.

For easy starting ignition on your Ford, put Columbia Hot Shot No. 1461 under the seat. Saves prolonged cranking—usually ignites the first compression of gas.
