**LOCAL NEWS**

**JOINS POLICE FORCE.**  
A new policeman, William G. Goodwin, was sworn in this morning.

**DRUGGISTS WERE HEARD.**  
The meeting of the provincial government was continued this morning and afternoon. During the morning a delegation from the New Brunswick Pharmaceutical Society was heard.

**QUITE DIFFERENT.**  
Regarding a paragraph published this morning to the effect that a petition asking for increased wages was being circulated among the employees of Atlantic sugar refinery, an official of the company said this morning that the story was incorrect and that the only paper circulated among the employees recently was a subscription list for a present for one of the men.

**CIVIC WAGES.**  
A remark by Commissioner McLean in the common council committee meeting yesterday regarding the comparative wages paid in civic departments was made ambiguous by a typographical error. He said that the lowest wages paid by the city were received by the men of the public safety department and not the public works department as might appear from the report.

**INSTRUMENTS FOR JUNIOR BAND.**  
Instruments owned by the 182nd Battalion Band have been purchased by D. G. Gallagher from Major Snowball of Chatham for the Junior City Cornet Band here. There are thirty-two in all. They were shipped from Chatham today. In addition to these instruments about twelve new clarinets were purchased. Practice will be commenced soon as the new instruments arrive.

**CIVIC PENSION SYSTEMS.**  
Commissioner Fisher has received from New York a report of the operations of the pension plan for civic employees in force there. From time to time there has been talk of introducing such a system to care for retired employees in St. John. There is no general provision at present and the only way in which superannuation has been arranged in special cases was by securing legislation to cover a particular case.

**FIRE THIS MORNING.**  
A little after 7 o'clock this morning a fire broke out in the home of Archibald McAllister, 800 Rockland road, where it extinguished before much damage had been done. It started between the walls and apparently had been burning some time before it was noticed. An alarm was rung in from box 812 and the fire department were sent on the scene. The chemical engine proved sufficient to cope with the blaze. The house is owned by A. B. McIntosh.

**WEEKLY ENTERTAINMENT.**  
The boys of the Industrial Home were given a treat last evening when a concert was arranged on their behalf, under the auspices of St. Monica's Society. The programme was arranged by P. Joseph Gleason and consisted of vocal solos and instrumental selections. Those taking part were Misses Florence McInerney, Marion Power, Kathleen O'Neill and Gerald O'Neill. In addition to some of the boys of the home the entertainment was held in the dining room of the home. About twenty visitors from the city were present.

**AN EXTRA POLICEMAN.**  
The police force of Lancaster is to be doubled. There have been requests for police protection in some parts of the parish, particularly in Beacombe, and the council of the parish have decided to recommend to the council that the police zone be extended to include the same as the sewerage district. This will take in all the district back of Carlisle. The expense will be borne by the parish and the other police officer will be appointed soon.

**SUNDAY SCHOOL CONCERT.**  
An excellent programme was given at a concert held last evening in the Sunday school of St. James church in aid of a stereopticon fund. During an intermission bouquets of roses were presented to Miss Ethel Parke and Miss Emily Bennett by Rev. H. A. Cody, on behalf of the boys and girls in recognition of their services in organizing the concert. Among those taking part in the programme were Eleanor Holdier, Marjorie Akery, Gertrude Bickerton, Phyllis Barbour, Greta Trenowsky, Muriel Akery, Adelaide Marvin, Frances Garlick, Robert Jones, Charles Redmond, James Barnes, Jack Welford and Fred Fitzpatrick.

**FIGHTING SMALLPOX.**  
One of the most important matters which the finance committee of the municipal council had to deal with at a meeting last evening was the provision of funds for dealing with the smallpox situation. The Board of Health submitted an estimate of the cost of fighting the disease in a thorough manner if it should assume the dimensions of an epidemic and the possible total was fixed at \$18,875. The committee decided to recommend that the council arrange for an overdraft of \$18,000, and place this amount at the disposal of the board of health as required. At the approach of warm weather will help to stamp out the disease, it is believed that the amount which will be spent will be much less than the estimate. The committee also recommended that an automobile be purchased for the use of Dr. G. G. Givins, the public health officer, to enable him more expeditiously to cover the territory affected.

**BYE LAW MATTERS.**  
William Baxter was reported in the police court today for allowing his horses to run across Mill street on May 1. A fine was struck, but allowed to stand against him.

Charles McMullen of the Pacific Dairy was reported for allowing two delivery sleighs to stand in Peters street from May 1 to May 8. The fine was allowed to stand.

James McDewitt was reported for fishing in the artificial lakes out of season and with bait. The magistrate said he was liable to two penalties.

**POLICE COURT.**  
In the police court this morning three prisoners were charged with drunkenness. They pleaded guilty and were sent below.

William McAker was charged with assaulting his wife, but she was not in court, and the magistrate remanded the prisoner, giving instructions that Mrs. McAker be brought at once.

**LOCAL BRANCH OF THE RED-MORGEN DAVID**

**Jewish Society Formed Here to do War Work Along Red Cross Lines**

Since the enlistment of Jewish men for military service in Palestine was begun a few months ago, there has been a new organization formed, by Jewish women in New York, called the Red-Morgen David. This organization is to be carried on along Red Cross lines, to assist the British soldiers in Palestine.

A branch was organized on Thursday night in the Hazen avenue Synagogue here through the efforts of a committee with Miss Sadie Cohen chairman, Miss Belle Comber secretary, and Miss Miriam Oster treasurer. Fifty members were enrolled and election of officers took place, after which an executive committee was appointed. The officers elected were Mrs. Elman, president; Miss Sadie Cohen, president; Miss Dora Groswiner, vice-president; Miss Belle Comber, secretary; Miss Miriam Oster, treasurer.

A group of twenty-three legionnaires mostly from St. Louis, Missouri, passed through the city on Saturday. They presented to the Red-Morgen David their first contribution, \$80.

About forty members of the Jewish Legion arrived in the city today en route to Windsor, N. S. They were met at the station by the members of the Jewish reception committee.

Fredericton, May 10.—The appointment of a new marshal of Devon will be made next Monday. Leo Hayes, a former member of the St. John police, may get it.

An assault case, in which threatening with a rifle was charged, was heard in the police court this morning. The defendant was Claude F. Weston, and the complainant James S. Sewell. P. J. Hughes appeared for the defendant and M. L. Hayward of Hartland for the complainant. The alleged offence took place on the Beaguine Stream in Carleton County. The defendant objected to stream drivers trespassing upon his land and ordered them off. He had a rifle in his hand at the time. The charge was not sustained and the case was dismissed.

**WINS SUIT AGAINST INSURANCE COMPANY**

In the case of Henry S. Wetmore vs. the Norwich Union Fire Insurance Company, His Honor Chief Justice McKown gave judgment this morning for the plaintiff for the sum of \$850 with costs and interest. The defendants set up that the plaintiff failed to file any proof of loss as required by the statutory conditions of the Province of New Brunswick, but under the insurance act His Honor decided that this should not bar the plaintiff in his claim, as the defendants, having full knowledge of the loss, were not prejudiced in any way. The loss was caused by fire to the plaintiff's dwelling house at Coldbrook. J. B. M. Baxter, K. C., and Francis Kerr appeared for the plaintiff, and Hamilton & Hamilton and M. G. Fred, K. C., for the defendant company.
