ELECTION CARDS

ELECTION CARD ELECTION CARD

I beg respectfully to inform the Electors of St. John (not overlooking the lady voters) that in response to requests from citizens in the north, south and west sections of the City, I have decided to enter the field as a candidate for the office of Commissioner at the ensuing Civic election.
The new council will have to deal with some very important subjects, including the routing of the Valley Highway, the completion of the paving of Main street, the paving of some other streets on which the traffic is heavy, the care and maintenance of all of the streets, the providing of a more equitable system of taxation and the improving of the ferry service in Carleton by utilizing a ship extending to Union street, if the change should be found to be a practicable one.
In these and in several other important matters, as well as in departmental work, I should hope, if elected, to be of service to the City, and I would advocate the "open door" at City Hall and the taking of a plebiscite at an early date on a number of public questions not requiring expert knowledge for their decision.
I will be pleased to receive such support as may be accorded to me.
G. FRID FISHER.

ELECTION CARD

At the solicitation of a number of electors, I will be a candidate for Commissioner at the coming civic elections, and beg to solicit the support of the citizens generally.
JAMES V. RUSSELL.

No action was taken by the mayor yesterday with reference to the request of shipping men and the board of trade for the provision of a floating crane for use in the harbor. As a result of inquiries made the mayor learned that the cost of an efficient crane such as recommended would be in the neighborhood of \$80,000 and he thought this was a pretty large item to consider at the present time.

A shade of disappointment crossed the young man's face. He had been for the last few months he had been saving up for Easter; his dearest friend was to be married on Easter Monday and he was to act as best man. In Trinity church schoolroom last evening Rev. W. O. Raymond gave an interesting address under the auspices of the Y. M. A., on the Indians of the St. John river, and told many legends and stories of the primitive people which were very entertaining. F. G. G. Clements also gave a short address telling of the agricultural growth, including the growth of the fruit growing industry in the St. John river valley. Both addresses were illustrated by lantern slides. R. S. Coupe and Miss Gladys Dixon contributed recitations and readings which were much enjoyed by the audience. Selections were given by a very efficient orchestra under the direction of Ralph Crawford. Rev. R. A. Armstrong presided.

Twenty-Eight Last Night Decided For Better Life
Using as his text Luke xxiv: 49, "Tarry ye in Jerusalem until ye be endued with power from on high," Doctor Burrows delivered a very powerful address on the subject of the Holy Spirit, last night in the City Hall, West End. As usual the large hall was well filled.

In part the evangelist said, "This is the promise that would occur later in the lives of the followers of Jesus Christ. The fulfillment of this promise is known as Pentecost. The room in which the disciples were seated is of interest to the student of biblical history. It was here that Jesus administered the sacrament. Here He taught the lesson of humility which every follower of His must learn, by washing the disciples' feet." This was the room from which Judas went forth to bargain away the life of his Lord. It was in this room that the Lord uttered some of His most precious sayings. It is evident that the 120 persons were seated when the Holy Ghost fell upon them.

"I think we are mistaken about the meaning of the word 'waiting.' To my mind it means a lingering, and not only lingering in the sense of hanging around the living God, but in the Christian life, repenting, praying, singing and quoting promises that pertain to the Christian life. The disciples after receiving the Holy Ghost went to go forth to change the policy and programme of the world. All the envy, striving, hickering, and jealousy was to be done away with. The great power, love, was to rule. I believe that love is the greatest power in the world. The reason why some of you have never been converted is because you have locked the door of your heart against the love of God and have thrown the key away.

"There is too much work of the Devil in the world today. Too many people have their hearts filled with hatred for their fellow men. They are easily offended. You cannot offend the person whose life is controlled by the love of God and the Holy Spirit. The reason why so many of you church members have hatred in your hearts is because you are under the dominion of Satan instead of being filled with the spirit of the living God. Before a great revival can strike this section or any other section the church has got to get right and clean up for God."

At the invitation twenty-eight made the decision to live the Christian life. A pleasing feature of the service last evening was the address by Rev. H. R. Thomas and Mrs. Thomas.

WHAT TO DO FOR SORE THROAT
SOME GOOD ADVICE BY A SPECIALIST.

As there seems to be a regular epidemic of Sore Throats this winter, the following valuable recipe will be welcomed by many. A sore throat is a dangerous complaint to neglect. It is a bronchial tubes lead directly to the lungs and the disease often travels along these tubes into the lungs and there results in a serious lung trouble.

At the first sign of soreness in the throat or around the tonsils you should secure from your chemist 1 oz. of Parmitin (Double Strength) and take this home and add to it 1/2 pint of hot water and 4 oz. of moist sugar. Stir until dissolved. Take one tablespoonful four times a day. This will give instant relief and will usually cure the worst throat within forty-eight hours. The healing and soothing qualities of this formula are unequalled, and every person suffering with a bad throat should give this prescription a trial. There is nothing better.

Important—In ordering Parmitin always specify that you want Double Strength; your druggist has it or he can get it for you; if not, send 75c. to the International Laboratories, 74 St. Antoine St. Montreal, who make a specialty of it.
